

# Office of Representative Adrian Tam

December 2022

## *Aloha and Happy Holidays*

Happy Holidays and mahalo for allowing me to serve as your Representative. District 24 now includes areas of McCully and Moiliili, and I feel truly blessed to have been given the opportunity to meet and engage with our community.

As the 2023 legislative session approaches, I will continue to work hard to address the issues that constituents have raised: homelessness, excessive noise, crime, and global warming.

I strive to be your voice at the Capitol, so please contact my office with any concerns or issues you feel need to be addressed.

## **Jefferson Elementary School 90th Anniversary**

Last month I was honored to attend the 90th Anniversary Celebration of Jefferson Elementary School. Established in 1932, it has played a vital role over the years for thousands of our keiki in Waikiki and surrounding communities. Congratulations and Mahalo to Principal Zakahi and the dedicated staff for providing a safe, nurturing environment for so many students, and for providing them with the tools and confidence to reach their highest potential.

# The Capitol Building is open to the public !

Happy to host a group of visiting social workers from Japan participating in a training session at HPU.

Over 200 participants from the Taiwan Chambers of Commerce North America visited the Capitol.

Building hours: 7am. to 5pm, Monday – Friday

Photo ID is required for entry into the building

Face masks are recommended while visiting the State Capitol and may be required in some conference rooms and other indoor spaces. Please refer to posted signage for guidance.

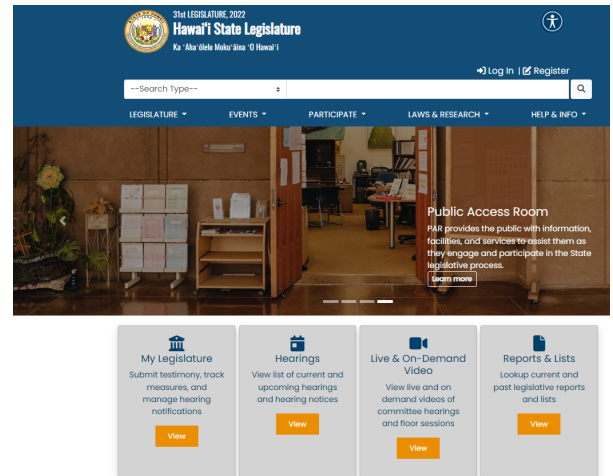

Parking at the Capitol is limited to authorized personnel. Public parking is available in Lot V (Vineyard Garage on Punchbowl); Lot G (Kalanimoku Building on Beretania & Punchbowl); and Lot L (Kinau Hale Building on Punchbowl).

## THE LEGISLATURES NEW WEBSITE IS LIVE!

Last month a new re-designed website for the Hawaii State Legislature was launched. A few highlights of the new design are:

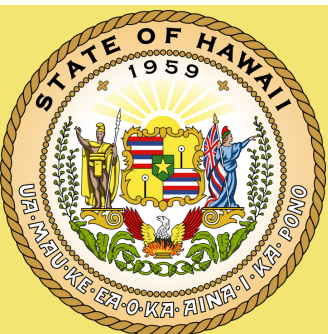

- A new mobile friendly version with improved functionality when visiting the Legislature's site on a cell phone or tablet
- A simplified home page encouraging public participation and engagement
- A new tab style layout with drop-down menus to improve navigation
- A consolidated search bar at the top of every page with options to search for a measure status page (default), HRS, session laws, or run a keyword search in the current year database.

Check it out at [capitol.hawaii.gov](http://capitol.hawaii.gov)

As we head into rainy season, unfortunately heavy downpours can sometimes result in brown water advisories for our beaches. Check out the DoH's Clean Water Branch Brown Water Advisory Website at :
