South Maui Survey Results - 186 Respondents

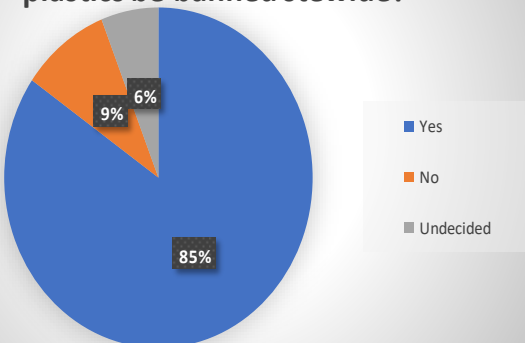

Do you support HB1326 relating to water rights?

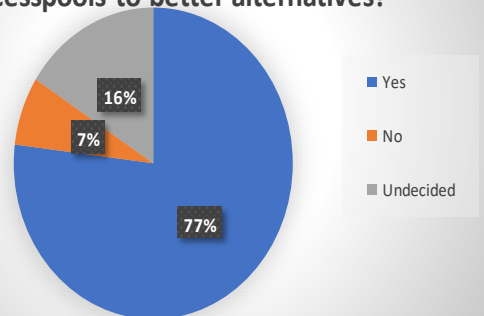

Should the minimum wage be increased to at least \$15?

Should polystyrene and single-use plastics be banned statewide?

Should the State offer more financial incentives for homeowners to upgrade from cesspools to better alternatives?

Are you ready to Vote by Mail?

A welcomed change for the New Year for the state of Hawai'i will be its first all-mail voting system starting the 2020 primary elections. The statewide vote-by-mail system will mail all registered voters a ballot for local and national elections. The voter signs an affidavit on the exterior of the mailing envelope and returns the package via mail. Postage costs are prepaid. Ballots must be **RECEIVED, NOT POSTMARKED**, by Election Day at 7:00pm. Limited polling stations will be open on election day for same-day registration and ballot drop-off.

Voter Registration Deadlines:

Primary: July 9, 2020

General: October 5, 2020

Election Days:

Primary: August 8, 2020

General: November 3, 2020

Voting closes at 7:00 p.m.

The 2020 Census

The 2020 Census is here folks! As mandated, the U.S. Constitution requires every single person living in the United States to be counted every ten years. To do this, the federal government conducts a census to determine how many seats each state gets in the U.S. House of Representatives and to award federal grants to the states. In essence, it assigns money to States on a per capita basis for programs like Medicare and Medicaid. By April 1, 2020, every home will have received an invitation to participate in the 2020 Census. Once the form arrives, you should respond in one of three ways: online, by phone, or by mail. The Census Bureau will be deploying hundreds of canvassers, who will go door-to-door on April 1, 2020.

Aloha South Maui,

The majority of my bill package in this session is about Environmental Issues, from Disaster Preparedness, to EV Charging Infrastructure, Aquarium Collecting Prohibition, Phasing out Fossil-fuels, Statewide Composting Programs, and Industrial Recycling Grants.

My second year in office, armed with lessons from the previous session, I am dedicated to representing our community and to promoting effective legislation that uplift the community and the environment. We are entering the latter part of the legislative biennium and I look forward to receiving feedback on bills.

Opening Day House Floor Session

Your input is an important part of the legislative process, please consider creating an account at capitol.hawaii.gov and submitting testimony on the bills that you care about. My staff (pictured, right) is available to help. Feel free to contact our office anytime if you have any questions.

Check out your survey responses that my team has been collecting over the past 8 months. I'm looking forward to working on these issues in the upcoming session, and I'll keep you informed along the way.
