Aloha Neighbors:

It is my privilege to serve our community for another legislative biennium. This session, I am excited to serve as Chair of the Legislative Management committee and as the Vice Chair of the Labor and Public Employment committee. I am also a member of the committees on Finance, Transportation, and Public Safety and Military Affairs.

We at the legislature remain committed to working with all of you towards making our community and state a better place to live, work, and raise a family. Please do not hesitate to contact me to voice your concerns. I welcome the opportunity to work with you and make government responsive to all people. Your input helps me to do my best to represent the people of Upcountry Maui.

Sincerely,

Boys and Girls Club of Maui Youth of the Year.
