Aloha...My name is Richard Cohen and I live on Hawai'i Island and like thousands of others at last count, satisfy the requirements of this bill. At this time I would like to enter testimony in STRONG support of HB1565 HD1. I have lived in my owner occupied home for almost 25 years now, and just feel it wrong to be required to file an annual updated "deleloper's report" including a \$50 filing fee simply to continue living in the dwelling. Hopefully the passing of this bill will allow this to happen for me and all the others who have been likewise impacted when the original law was changed several years ago mandating such a yearly filing fee. Thankyou.
