Comments:

Voluntary arbitration is a used and common form of dispute resolution. The program should be continued.

**HB 2313: Arbitration Money**

My name is Jeff Sadino, I am a condo owner in Makiki, and I am providing **COMMENTS** to this Bill.

I used Mediation but I did not use Arbitration. I found Mediation to be ineffective for my situation. I was then forced into a Litigation that my Association initiated, where hundreds of thousands of dollars in attorney fees were spent.

We have a decent amount of education already. I would prefer it if the money referenced in this Bill would go to fund some sort of Alternative Dispute Resolution system that actually works and is affordable, instead of forcing condo Owners into financially prohibitive Litigation.

Thank you for the opportunity to testify,

Jeff Sadino
