MAKING EMERGENCY APPROPRIATIONS FOR PUBLIC EMPLOYMENT COST
ITEMS

The Department of Budget and Finance supports moving this Administration proposal, or a similar bill, as collective bargaining (CB) negotiations regarding the issue of temporary hazard pay are currently in progress and vehicle bills may be necessary if an agreement is reached requiring an appropriation prior to the end of the legislative session.

These measures appropriate and authorize appropriations for CB cost items for salary adjustments and other cost adjustments for Fiscal Biennium 2023-25 for the Hawai'i Government Employees Association, Bargaining Units 2, 3, 4, 9, 13, and 14.

Thank you for your consideration of our comments.

WRITTEN TESTIMONY ONLY

Bill No. and Title: House Bill No. 2374, H.D. 1, Making Emergency Appropriations for Public Employment Cost Items

Purpose: Makes emergency appropriations for collective bargaining cost items for the members of Bargaining Units 2, 3, 4, 9, 13 and 14 and their excluded counterparts.

Judiciary’s Position:

The Judiciary strongly supports House Bill No. 2374, H.D. 1.

In January 2020, the U.S. Secretary of Health and Human Services declared the COVID-19 outbreak a public health emergency. On March 4, 2020, Governor David Ige issued the first of several emergency proclamations pertaining to the COVID-19 pandemic for the State of Hawai‘i, with the last of those proclamations expiring on March 25, 2022.

Unions representing public employees in Hawai‘i have been pursuing claims for temporary hazard pay for work performed by government employees during the COVID-19 pandemic pursuant to the hazard-pay provisions of the respective collective bargaining agreements.

Thank you for the opportunity to testify on House Bill No. 2374, H.D. 1.

Testimony in Strong Support
HB 2374, HD1 Relating to Making Emergency Appropriations for
Public Employment Cost Items.

Makes emergency appropriations for collective bargaining cost items for the members of Bargaining Units (2), (3), (4), (9), (13), and (14) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2023-2025.

Edward N. Chu
President and Chief Executive Officer
Hawaii Health Systems Corporation

Hawaii Health Systems Corporation ("HHSC") **strongly supports** HB 2374, HD1.

HHSC is bound by the public sector union collective bargaining pay increases that are negotiated by the State of Hawaii and arbitration awards. Despite our progress in financial and operational performance, HHSC is unable to keep up with collective bargaining pay increases and future mandated increases in the fringe rate for pension and retiree health insurance costs (OPEB). The inability to generate sufficient revenue to cover these costs led to reductions in personnel and services in fiscal year 2016, and may lead to future reductions in personnel and services unless sufficient general fund or emergency appropriations are provided to cover these rising costs.

Accordingly, HHSC needs a general fund appropriation to pay for any cost items included in this bill.

Thank you for the opportunity to testify on this important measure.
