Comments:

I fully support this measure. A portion of the collected fees should be allocated to fund the Hawaii Office of Veterans Services.

Comments:

I strongly support SB2731. It is a positive way to support veterans. Hopefully, some of the fees collected will go to support the State Office of Veterans' Services. Please pass the bill.

Comments:

I am an Iraq conflict veteran and I support the creation of a special license plate for Iraq and Afghanistan conflict veterans. This is a little thing, but a symbol which carries a lot of meaning with it for our veterans, and helps keep alive the memories of those who sacrificed some or all for our country.
