COMMITTEE: Committee on Finance
ROOM: Conference Room 308 & Videoconference
FROM: Ed H. Noh, Ed. D, Executive Director
State Public Charter School Commission

Chair Yamashita, Vice Chair Kitagawa, and members of the Committee:

The State Public Charter School Commission (“Commission”) appreciates the opportunity to offer **SUPPORT on SB 3305 HD2** which amends Chapter 302D, the statutes governing public charter schools, by adding a new section applicable to Prekindergarten-only public charter schools. This section provides clarification on what sections of Chapter 302D, Hawaii Revised Statutes, Prekindergarten-only schools are exempt from.

For clarification, Prekindergarten-only public charter schools are public charter schools that only serve prekindergarten students and have no K-12 students. At its January 2024 general business meeting, the Commission approved the first Prekindergarten-only public charter school, PACT Parkway Villages Preschool.

Thank you for the opportunity to provide this testimony.

TESTIMONY IN SUPPORT OF SB 3305 HD2

TO: Chair Yamashita, Vice-Chair Kitagawa & Members,
House Committee on Finance
FROM: Ryan Kusumoto, President & CEO
DATE: March 27, 2024 at 2:00 PM

Parents And Children Together (PACT) supports SB 3305 HD2 Relating to Education, which requires all public charter schools that offer prekindergarten programs exclusively to adhere to the provisions of chapter 302D, HRS, with certain exceptions that align with the distinction between prekindergarten and other levels of education. PACT is aligned with the State Public Charter School Commission in establishing exemptions from certain sections of Chapter 302D as drafted in SB 3305 for prekindergarten only public charter schools.

In 2023, the opportunity to participate in the Ready Keiki initiative by applying for a prekindergarten only public charter school became available and in January 2024, PACT's application was approved. PACT Parkway Villages Preschool will offer four public prekindergarten classrooms, increasing access to quality pre-k education and building on PACT's many years of Head Start experience. We are currently working with the Commission to complete pre-opening assurances for the school.

Founded in 1968, PACT is a statewide community-based organization providing a wide array of innovative and educational social services to families in need. Assisting more than 15,000 people across the state annually, we help identify, address, and successfully resolve challenges through our 20 programs. Among our services are early education programs, domestic violence prevention and intervention programs, child abuse prevention and intervention programs, childhood sexual abuse supportive group services, child and adolescent behavioral health programs, sex trafficking intervention, poverty prevention and community building programs. Notably, PACT has decades of experience serving the community through Head Start prekindergarten classrooms.

Thank you for the opportunity to testify. Please contact me at (808) 847-3285 or rkusumoto@pacthawaii.org if you have any questions.

Dear Chair Yamashita, Vice Chair Kitagawa, and Members of the Committee,

We support SB 3305 HD2, which requires all public charter schools that exclusively offer prekindergarten programs to adhere to the public charter school law, with certain exceptions.

Prekindergarten-only public charter schools are an innovative way to expand access to quality early learning opportunities, which is the goal of Act 46. We support the testimony of the Hawaii State Charter School Commission on this measure.

Hui for Excellence in Education, or “HE’E,” promotes a child-centered and strength-based public education system in which families, communities and schools are valued and empowered to help every student succeed.
