
A BILL FOR AN ACT

RELATING TO CESSPOOLS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that the health of
3 Hawaii's people and quality of Hawaii's waters are being harmed
4 by pollution from cesspools. Hawaii has more than eighty
5 thousand cesspools that discharge about fifty million gallons of
6 wastewater into the State's groundwater every day. Cesspools
7 are antiquated, substandard systems that damage public health;
8 pollute drinking water; and lower water quality in streams,
9 ground waters, nearshore marine areas, and the ocean. Cesspool
10 pollution also harms public recreation and the precious coral
11 reefs on which Hawaii's economy, shoreline, fisheries, and
12 native species depend.

13 The purpose of this Act is to:

14 (1) Accelerate the dates for required upgrades,
15 conversions, or connections of:

16 (A) The 13,821 priority level 1 cesspools in the
17 State, with certain exceptions; and

1 (B) The 12,367 priority level 2 cesspools in the
2 State;

3 (2) Authorize and appropriate funds to the department of
4 health to retain qualified consultants as necessary to
5 identify necessary public outreach and education
6 resources and tools and develop a comprehensive public
7 outreach strategy and website to serve as a statewide
8 clearinghouse for information and resources for
9 homeowners and wastewater industry professionals
10 related to cesspool upgrade, conversion, and
11 connection; and

12 (3) Appropriate funds and establish positions for the
13 implementation of the cesspool compliance pilot grant
14 project.

15 PART II

16 SECTION 2. Chapter 342D, Hawaii Revised Statutes, is
17 amended by adding a new section to be appropriately designated

10 based on demonstration of financial inability to pay for or
11 finance a cesspool upgrade, conversion, or connection; provided
12 that the department of health may adopt rules pursuant to
13 chapter 91 necessary to effectuate the purposes of this
14 subsection.
15 (e) Notwithstanding any law to the contrary, no penalty or
16 other assessment for any violation of this section shall
17 constitute a lien on the real property. Notwithstanding any law
