
A BILL FOR AN ACT

RELATING TO PARKING FOR DISABLED PERSONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the statewide
2 parking program for persons with disabilities, as established
3 under part III of chapter 291, Hawaii Revised Statutes, pursuant
4 to the federal Uniform System for Parking for Persons With
5 Disabilities, 23 C.F.R. §1235, and administered by the
6 disability and communication access board, provides individuals
7 with mobility disabilities the ability to travel and park in
8 accessible parking spaces via the use of parking placards.
9 However, improper use and insufficient enforcement impact access
10 for legitimate program participants. Therefore, the purpose of
11 this Act is to assure appropriate use of placards by expanding
12 enforcement at the municipal level.

13 SECTION 2. Section 286-119, Hawaii Revised Statutes, is
14 amended by amending subsection (a) to read as follows:

JUSTIFICATION SHEET

DEPARTMENT: Health

TITLE: A BILL FOR AN ACT RELATING TO PARKING FOR DISABLED PERSONS.

PURPOSE: To allow the Examiner of Drivers to suspend the driver's license of anyone found guilty of using a disability parking permit of a deceased person to obtain parking privileges; to provide that fifty percent of a fine imposed for a violation of section 291-57, Hawaii Revised Statutes, is remitted to the law enforcement agency that issued the citation; and to authorize each county to enact ordinances and enforce the design requirements of accessible parking spaces at places of public accommodation.

MEANS: Amend sections 286-119(a), 291-57, and 291-58, Hawaii Revised Statutes (HRS).

JUSTIFICATION: Household members obtaining parking privileges by using the disability parking permit issued to a person who was deceased when the permit was used is a common form of accessible parking space abuse. Authorizing the Examiner of Drivers to suspend the driver's license of anyone cited by parking enforcement using a parking permit of a person who is deceased will serve as a strong deterrent against such abuse.

Enforcement of the legal use of accessible parking spaces is the responsibility of county and state law enforcement agencies. A lack of enforcement is often raised with the Disability and Communication Access Board (DCAB). However, DCAB lacks jurisdiction to enforce the proper use of reserved accessible parking spaces. This bill may incentivize enforcement agencies to increase their level of enforcement, which could include an expansion of the use of Volunteer Special Enforcement Officers.

H.B. NO. 2444

Section 291-58, HRS, currently provides that a civil action may be brought against a place of public accommodation that does not provide an accessible parking space that meets design requirements to impose or collect a fine of \$250-\$500 per day. A successful action has never been brought under this section. The counties, via their building departments are better positioned to enforce accessible parking space design requirements at places of public accommodation and levy appropriate fines for noncompliance violations. Under section 291-73, HRS, the counties have similarly been authorized to enact ordinances to enforce electric vehicle parking and charging requirements in places of public accommodation.

Impact on the public: This bill will help ensure accessible parking spaces that comply with federal and state design requirements are available for qualified persons with disabilities.

Impact on the department and other agencies: If the number of citations issued at least doubles, the revenue to the State's general fund will not be reduced.

GENERAL FUND:	None.
OTHER FUNDS:	DCAB Parking Special Fund.
PPBS PROGRAM DESIGNATION:	HTH 520.
OTHER AFFECTED AGENCIES:	County Examiners of Drivers, State and County Law Enforcement Agencies, Judiciary.
EFFECTIVE DATE:	July 1, 2024.
