# A BILL FOR AN ACT

RELATING TO MANUFACTURED HEMP PRODUCTS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that Act 263, Session  
2 Laws of Hawaii 2023, amended regulations on hemp production and  
3 manufactured hemp products. However, the definition of  
4 "manufactured hemp product" in section 328G-1, Hawaii Revised  
5 Statutes, was inadvertently amended to be ambiguous and may be  
6 read to limit the department of health's rulemaking authority to  
7 regulate new types of hemp products as manufactured hemp  
8 products.

9           The purpose of this Act is to clarify that the definition  
10 of "manufactured hemp product" includes products intended to be  
11 consumed orally in beverage and edible forms and hemp products  
12 specified in rules adopted by the department of health pursuant  
13 to section 328G-4, Hawaii Revised Statutes.

14           SECTION 2. Section 328G-1, Hawaii Revised Statutes, is  
15 amended by amending the definition of "manufactured hemp  
16 product" to read as follows:

1        ""Manufactured hemp product" means a product created by  
2 processing, as defined in this chapter, that:

3        (1) Is either:

4            (A) Intended to be consumed orally to supplement the  
5 human or animal diet in tablet, capsule, powder,  
6 softgel, gelcap, beverage, edible, or liquid form  
7 (e.g., hemp oil); [~~or~~]

8            (B) In a form for topical application to the skin or  
9 hair; or

10           (C) Any other product specified in rules by the  
11 department pursuant to section 328G-4; and

12        (2) Does not include any living hemp plants, viable seeds,  
13 leaf materials, or floral materials[~~; and~~

14        ~~(3) Includes any other product specified by the department~~  
15 ~~pursuant to section 328G-4(a)(7)]."~~

16        SECTION 3. Statutory material to be repealed is bracketed  
17 and stricken. New statutory material is underscored.

18        SECTION 4. This Act shall take effect on July 1, 3000.
