JUSTIFICATION SHEET

DEPARTMENT: Department of Taxation

TITLE: A BILL FOR AN ACT RELATING TO THE TAXATION BOARD OF REVIEW.

PURPOSE: To amend the minimum qualifications for the Chairperson of the Taxation Board of Review.

MEANS: Amend section 232-6(b), Hawaii Revised Statutes (HRS).

JUSTIFICATION: Section 232-6(b), HRS, requires the Chairperson of the Taxation Board of Review to be an attorney licensed to practice law in all courts of the State or a certified public accountant with experience in the State. The current licensing requirements do not necessarily reflect whether a person has the knowledge or experience necessary to serve as the chairperson. Additionally, the current licensing requirements have made it difficult to attract applicants who would otherwise have the knowledge or experience to serve as the Chairperson, such as persons who have retired from their profession or who have been employed in positions that have not required them to maintain an active license. Amending the requirements to allow a legal or accounting professional with experience in State tax to serve as the chairperson will ensure that the Chairperson has experience in State tax and will allow a wider pool of potential candidates to apply.

Impact on the public: Amending the requirements for the Chairperson of the Taxation Board of Review will facilitate the filling of the position, which will assist in enabling the board to resume hearing and deciding tax appeal cases.

Impact on the department and other agencies: Amending the requirements for the Chairperson of the Taxation Board of Review will facilitate the filling of the position,

which will assist in enabling the board to resume hearing and deciding tax appeal cases.
