
A BILL FOR AN ACT

RELATING TO THE STABILIZATION OF PROPERTY INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that prior to the
3 wildfire event in Lahaina, Maui, on August 8, 2023, the
4 availability of both condominium building master insurance
5 policy and unit owner insurance policy options within the
6 condominium insurance marketplace was already shrinking.

7 For condominium building master insurance policies,
8 insurers have increased deductible amounts from what used to be
9 between \$10,000 to \$25,000 per unit, per occurrence, to as much
10 as \$250,000. These increased deductibles were due to consistent
11 and high-cost losses, primarily water damage losses within
12 condominium buildings caused by failing water pipe systems.
13 These large deductible costs were then transferred to unit
14 owners who needed to provide proof to the condominium
15 association that they were insured up to the higher deductible
16 amount. These water damage losses also contributed to unit
17 owner property insurance becoming scarce, with one or two

1 insurers willing to underwrite this coverage with higher
2 deductibles of \$75,000 and up.

3 The legislature also finds that while the State has avoided
4 a direct, major impact from a major hurricane since Hurricane
5 Iniki devastated Kauai and damaged homes along Oahu's leeward
6 coast more than thirty years ago, mortgage lenders continue to
7 require Hawaii homeowners to carry hurricane insurance that can
8 cost two to three times the annual premiums of a conventional
9 homeowner policy.

10 The legislature further finds that Hawaii Business Magazine
11 recently reported that generally, a condominium building or
12 complex carries a master hurricane policy that covers one
13 hundred per cent of the cost to replace the property--millions
14 of dollars in many cases. Unfortunately, because insurance
15 premiums for those policies have recently risen so high, the
16 president of Insurance Associates estimates that three hundred
17 seventy-five to three hundred ninety buildings, including new
18 high-rise towers in Kakaako, Oahu, have opted to renew their
19 hurricane insurance policies with less than one hundred per cent
20 hurricane coverage. This practice of reducing coverage is
21 creating complications and adverse consequences for every person

1 and entity associated with condominiums in Hawaii, from lenders
2 and insurance agents to buyers and sellers of condominiums.

3 The legislature understands that there are four standard
4 insurance companies that write property and hurricane insurance
5 policies for condominiums, of which two are willing to insure up
6 to the full value of the property, albeit with rising
7 deductibles. A third insurer only offers hurricane insurance
8 capped at a maximum insured value of \$10,000,000 to \$25,000,000
9 in coverage, regardless of whether the overall value of the
10 building exceeds this valuation range. The fourth insurer
11 continues to write renewals, but has not issued a new policy in
12 the State since Hurricane Iniki in 1992.

13 Furthermore, some condominium associations for older
14 buildings are forced to obtain hurricane insurance through the
15 secondary insurance market if they are dropped by the standard
16 insurers for having too many claims, or if their buildings have
17 delayed renovations or deferred maintenance on high-cost items
18 such as aging water pipes. The president of Insurance
19 Associates reported that more than seven hundred condominium
20 buildings on Oahu alone were built before 1990. These secondary
21 market insurers are not bound by the State's laws or

1 administrative rules governing rates, so their prices may be
2 more expensive than those of standard insurance carriers.

3 To illustrate the difference in insurance premium costs,
4 the president of Insurance Associates cites the example of one
5 high-rise condominium in Waikiki in which the condominium
6 association had been paying an annual insurance premium of
7 \$235,000 for property and hurricane insurance and had already
8 been dropped by two of the standard insurance companies when the
9 third company declined to renew their insurance policy. The
10 stated reason for the nonrenewal and rejection was that the
11 building's aging plumbing had not been replaced. As a result,
12 the condominium association was forced to purchase insurance on
13 the secondary market, which cost approximately \$1,200,000.

14 The legislature finds that the consequences of
15 under-insured condominium buildings also impact individual
16 owners. For example, if a condominium building is not insured
17 to its full value, the mortgages on individual units within that
18 building would not meet the underwriting criteria to qualify for
19 purchase through the federal government's secondary mortgage
20 market, meaning that these mortgages cannot be sold by financial
21 institutions to mortgage investor entities such as Fannie Mae

1 and Freddie Mac. In addition, Hawaii Business Magazine has also
2 reported that the 2021 collapse of the Surfside condominium
3 building in Miami is also having a ripple effect on condominium
4 lending. In 2023, Fannie Mae and Freddie Mac made permanent the
5 rules for condominium lending that were created in the wake of
6 that disaster and ceased buying loans for buildings or projects
7 that have put off major repairs--such as replacing old water
8 pipes. These new lending rules also prohibit the sale of a loan
9 on a condominium building to Fannie Mae and Freddie Mac if that
10 building has unfunded repairs totaling more than \$10,000 per
11 unit.

12 This inability to sell condominium mortgages would require
13 financial institutions that originated mortgages to retain those
14 mortgages, thereby lessening their overall financial capacity to
15 originate more mortgages. Further, the risk of loss in the
16 event of a hurricane may impair a financial institution's
17 financial safety and soundness, which would in turn hamper
18 consumers' abilities to obtain financing to purchase dwellings
19 of their own. In addition, the failure of individual
20 condominium units to maintain the property insurance required by

1 their condominium association could result in fines,
2 lender-placed insurance, and foreclosure of those units.

3 The legislature notes that the wildfire in Lahaina, Maui,
4 on August 8, 2023, has also impacted the way reinsurers and
5 standard insurers view Hawaii's wildfire risk. The president of
6 Insurance Associates estimates that while Hawaii has always been
7 rated for hurricanes for property insurance purposes, it has
8 never been rated for wildfires. Now that the State has
9 experienced wildfires, not only in Lahaina, but also in Kula,
10 West Oahu, and Mililani, parts of all islands will be rated for
11 wildfires. Moreover, it is surmised that some insurers will not
12 maintain their current policy-count in the State because of
13 their increased costs for reinsurance, geographical
14 concentration of risk, and inadequate rates both pre- and post-
15 wildfire. Insurers have the financial responsibility to pay
16 losses, and if reinsurance and premiums are not sufficient to
17 cover these losses, an insurer needs to reduce their exposure by
18 restricting new policies, reducing their policy-count, or both.
19 The legislature recognizes that the price impact on reinsurance
20 from recent wildfires is not fully known and price increases may
21 continue into the foreseeable future.

1 The legislature also understands that rates for hurricane
2 insurance and regular homeowner policies in Hawaii have
3 increased due to disasters around the United States and the
4 world. Further, the market for reinsurance, the insurance that
5 property and casualty insurance companies pay to share their
6 risk, is global. Therefore, storms and other catastrophic
7 losses occurring anywhere in the world may potentially impact
8 the amounts that homeowners and condominium associations in
9 Hawaii pay for their insurance coverage.

10 This Act expands the authority of the markets of last
11 resort, the Hawaii property insurance association and Hawaii
12 hurricane relief fund, to assist the stabilization of the
13 property insurance market until risks can be depopulated back to
14 the standard insurance market when market conditions improve and
15 risks become more insurable because of building component
16 replacement or maintenance, or mitigation equipment or protocols
17 have been implemented for fire, wildfire, or hurricane events.

18 The legislature believes that it is critical to adequately
19 capitalize the respective funds because insuring these risks
20 could bring an enormous amount of risk exposure to the funds.
21 Therefore, funding mechanisms must be broad on an initial and

1 ongoing basis and spread among as many parties involved in real
2 property transactions within the State as possible to ensure
3 that the financial impacts are apportioned as equitably as
4 practicable, and that reserve funds are adequately capitalized
5 if losses exceed the funds' capacities. This Act provides these
6 funding mechanisms through the:

- 7 (1) Imposition of a higher transient accommodation tax
8 rate for transient vacation rentals, since many
9 transient vacation rental units are situated within
10 condominiums, and using those revenues to capitalize
11 the Hawaii property insurance association's
12 operations;
- 13 (2) Establishment of a property insurance surcharge on
14 conveyance tax and using those revenues to capitalize
15 the Hawaii property insurance association's
16 operations;
- 17 (3) Reactivation of the assessment of insurers to
18 capitalize the Hawaii hurricane relief fund; and
- 19 (4) Reactivation of the Hawaii hurricane relief fund's
20 special mortgage recording fee that was last imposed

1 "Booking service" means any reservation or payment service
2 provided by a person that facilitates a transient vacation
3 rental transaction between an operator and a prospective renter,
4 and for which the person collects or receives, directly or
5 indirectly through an agent or intermediary, a fee in connection
6 with the reservation or payment services provided for the
7 transient vacation rental transaction.

8 "County" means the city and county of Honolulu and the
9 counties of Hawaii, Kauai, and Maui; provided that the county of
10 Kalawao shall be considered a part of the county of Maui for the
11 purposes of this section.

12 "Hosting platform" means a person that participates in the
13 transient vacation rental business by providing, and collecting
14 or receiving a fee for, booking services through which an
15 operator may offer a transient vacation rental unit. "Hosting
16 platform" includes persons who provide booking services through
17 an online platform that allows an operator to advertise a
18 transient vacation rental unit through a website provided by the
19 hosting platform, and through which the hosting platform
20 conducts a transaction by which potential renters arrange use
21 and payment of rent to the operator or the hosting platform.

1 "Transient vacation rental" means "short term rental",
 2 "transient vacation rental", "transient vacation unit", or
 3 "transient vacation use", as defined by applicable county
 4 ordinance."

5 2. By amending the definition of "operator" to read:

6 ""Operator" means any person operating a transient
 7 accommodation[~~r~~] or transient vacation rental, whether as owner
 8 or proprietor or as lessee, sublessee, mortgagee in possession,
 9 licensee, or otherwise, or engaging or continuing in any service
 10 business which involves the actual furnishing of transient
 11 accommodation[~~r~~] or transient vacation rental."

12 SECTION 3. Section 237D-2, Hawaii Revised Statutes, is
 13 amended to read as follows:

14 "**§237D-2 Imposition and rates.** (a) There is levied and
 15 shall be assessed and collected each month a tax of:

- 16 (1) Five per cent for the period beginning on January 1,
 17 1987, to June 30, 1994;
- 18 (2) Six per cent for the period beginning on July 1, 1994,
 19 to December 31, 1998;
- 20 (3) 7.25 per cent for the period beginning on January 1,
 21 1999, to June 30, 2009;

1 (4) 8.25 per cent for the period beginning on July 1,
2 2009, to June 30, 2010; and

3 (5) 9.25 per cent for the period beginning on July 1,
4 2010, and thereafter;

5 on the gross rental or gross rental proceeds derived from
6 furnishing transient accommodations.

7 (b) Every transient accommodations broker, travel agency,
8 and tour packager who arranges transient accommodations at
9 noncommissioned negotiated contract rates and every operator or
10 other taxpayer who receives gross rental proceeds shall pay to
11 the State the tax imposed by subsection (a), as provided in this
12 chapter.

13 (c) There is levied and shall be assessed and collected
14 each month, on the occupant of a resort time share vacation
15 unit, a transient accommodations tax of:

16 (1) 7.25 per cent on the fair market rental value until
17 December 31, 2015;

18 (2) 8.25 per cent on the fair market rental value for the

4 State the transient accommodations tax imposed by subsection (c)
5 as provided in this chapter. Every resort time share vacation
6 plan shall be represented by a plan manager who shall be subject
7 to this chapter.

8 (e) Notwithstanding the tax rates established in
9 subsections (a) (5) and (c) (3), the tax rates levied, assessed,
10 and collected pursuant to subsections (a) and (c) shall be 10.25
11 per cent for the period beginning on January 1, 2018, to
12 December 31, 2030; provided that:

13 (1) The tax revenues levied, assessed, and collected
14 pursuant to this subsection that are in excess of the
15 revenues realized from the levy, assessment, and
16 collection of tax at the 9.25 per cent rate shall be
17 deposited quarterly into the mass transit special fund
18 established under section 248-2.7; and

19 (2) If a court of competent jurisdiction determines that
20 the amount of county surcharge on state tax revenues
21 deducted and withheld by the State, pursuant to

1 section 248-2.6, violates statutory or constitutional
2 law and, as a result, awards moneys to a county with a
3 population greater than five hundred thousand, then an
4 amount equal to the monetary award shall be deducted
5 and withheld from the tax revenues deposited under
6 paragraph (1) into the mass transit special fund, and
7 those funds shall be a general fund realization of the
8 State.

9 The remaining tax revenues levied, assessed, and collected
10 at the 9.25 per cent tax rate pursuant to subsections (a) and
11 (c) shall be deposited into the general fund in accordance with
12 section 237D-6.5(b).

13 (f) Notwithstanding the tax rates established in
14 subsections (a) (5) and (c) (3) and subsection (e), the tax rate
15 levied, assessed, and collected with regard to a transient
16 vacation rental pursuant to subsections (a), (c), and (e) shall
17 be _____ per cent for the period beginning on July 1, 2024;
18 provided that:

21 excess of the revenues realized from the levy,

1 assessment, and collection of tax at the percentage
2 rates authorized pursuant to subsections (a) (5),
3 (c) (3), and (e) shall be deposited quarterly into a
4 trust account established pursuant to
5 section 431:21-105 for the purpose of administering
6 and providing property insurance for properties
7 located outside of a lava zone that obtain property
8 insurance under that article; and

9 (2) Fifty per cent of the tax revenues levied, assessed,
10 and collected pursuant to this subsection that are in
11 excess of the revenues realized from the levy,
12 assessment, and collection of tax at the percentage
13 rates authorized pursuant to subsections (a) (5),
14 (c) (3), and (e) shall be deposited quarterly into a
15 trust account established pursuant to section 431P-16
16 for the purpose of providing hurricane insurance under
17 that chapter."

18 PART III

19 SECTION 4. Chapter 247, Hawaii Revised Statutes, is
20 amended by adding a new section to be appropriately designated
21 and to read as follows:

19 or instrument subject to section 247-1; except, however, in the
20 case where the United States or any agency or instrumentality
21 thereof or the State or any agency, instrumentality, or

1 governmental or political subdivision thereof is the grantor,
2 lessor, sublessor, assignor, transferor, seller, or conveyer,

19 amended by adding two new definitions to be appropriately
20 inserted and to read as follows:

- 1 (1) Has an association registered with the real estate
2 commission in accordance with chapter 514B, part VI;

15 any human being, or from damage to property."

16 SECTION 7. Section 431:21-105, Hawaii Revised Statutes, is
17 amended to read as follows:

15 premiums for the preceding calendar year. The
16 association may exempt or defer, in whole or in part,
17 the assessment of any member insurer if the assessment
18 would cause the member insurer's financial statement

- 12 (4) Establish a schedule of deductibles, if appropriate;
- 13 (5) Establish a maximum period of time during which a
14 condominium may be eligible to be insured by the
15 association, which shall not exceed sixty months;
- 16 [~~5~~] (6) Establish the commission to be paid to licensed
17 producers;
- 18 [~~6~~] (7) Establish the rates to be charged for the
19 insurance coverages, so that the total premium income
20 from all association policies, when combined with the
