# A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF HUMAN RESOURCES DEVELOPMENT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the department of  
2 human resources development is committed to making the State a  
3 desirable place to work and supporting the approximately  
4 fourteen thousand employees who work throughout the State.

5           The legislature also finds that the department of human  
6 resources development's information technology systems require  
7 additional investment and modernization. Specifically, by  
8 upgrading or replacing equipment, hiring key information  
9 technology personnel, upgrading the existing outdated network  
10 infrastructure, and providing necessary training, the department  
11 of human resources development will be able to hire new,  
12 essential state workers more quickly and provide the department  
13 with the assets it needs to function more efficiently overall.

14           Accordingly, the purpose of this Act is to appropriate  
15 moneys to the department of human resources development to:

16           (1) Establish two full-time equivalent (2.0 FTE)  
17           information technology specialist positions; and

1           (2) Upgrade information technology systems, including  
2           network upgrades; purchase and installation of desktop  
3           computers, workstations, and laptop computers; and  
4           training for personnel.

5           SECTION 2. There is appropriated out of the general  
6 revenues of the State of Hawaii the sum of \$300,000 or so much  
7 thereof as may be necessary for fiscal year 2023-2024 and the  
8 same sum or so much thereof as may be necessary for fiscal year  
9 2024-2025 for the establishment of two full-time equivalent  
10 (2.0 FTE) information technology specialist positions within the  
11 department of human resources development.

12           The sums appropriated shall be expended by the department  
13 of human resources development for the purposes of this Act.

14           SECTION 3. There is appropriated out of the general  
15 revenues of the State of Hawaii the sum of \$2,284,850 or so much  
16 thereof as may be necessary for fiscal year 2023-2024 to upgrade  
17 information technology systems within the department of human  
18 resources development, including network upgrades; purchase and  
19 installation of desktop computers, workstations, and laptop  
20 computers; and training for personnel.
