
HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF HEALTH TO ASSESS THE REGISTRATION
AND MONITORING OF CLEAN AND SOBER HOMES.

1 WHEREAS, the legislature enacted Act 193, Session Laws of
2 Hawaii 2014 (Act 193), to develop a process for the management
3 and support for clean and sober homes, also known as sober
4 living recovery homes/residences, which are located in
5 communities throughout the State, to provide housing for
6 individuals suffering from substance use, including people who
7 may have co-occurring mental health issues, as they transition
8 from the treatment setting to life in the community; and
9

10 WHEREAS, Act 193 incorporated clean and sober home
11 operating standards based on the National Alliance for Recovery
12 Residences; and
13

14 WHEREAS, to increase the number of homes that maintain
15 appropriate living conditions, Act 193 established a voluntary
16 registry to set minimum operating standards and give special
17 advantages to homes on the registry, such as technical support
18 and preferred referral status as well as the ability to monitor
19 residences that provide the necessary support for recovery
20 efforts; and
21

22 WHEREAS, Act 193 amended section 46-4, Hawaii Revised
23 Statutes, to clarify the conditions under which the counties
24 shall not prohibit registered clean and sober homes that have up
25 to eight unrelated persons in a dwelling unit, as well as
26 eliminate any conflict with the federal Fair Housing Amendments
27 Act by deleting the requirement for a public informational
28 meeting; and
29

30 WHEREAS, the public may report concerns regarding clean and
31 sober homes to the Alcohol and Drug Abuse Division of the
32 Department of Health by email or make a toll-free call to 1-877-
33 877-1716; and

1
2 WHEREAS, the primary goals of rehabilitation and recovery
3 are to restore social, family, lifestyle, vocational, and
4 economic support by stabilizing an individual's physical and
5 psychological functioning; and
6

7 WHEREAS, alcohol- and drug-free environments that are safe,
8 sanitary, and secure promote recovery and assist individuals in
9 becoming self-supporting; and
10

11 WHEREAS, recovery residences support recovery of
12 individuals with substance use disorders and help prevent
13 relapse, criminal justice system involvement, and overdose; and
14

15 WHEREAS, recovery residences are designed to address the
16 needs of individuals in recovery from substance use disorders
17 through the provision of a safe and healthy living environment
18 and a community of supportive recovering peers to which the
19 residents are accountable, without the ridged and more expensive
20 structure of a licensed therapeutic living program; and
21

22 WHEREAS, the support of a home environment fulfills a need
23 for those who are reintegrating into the community while
24 maintaining sobriety; and
25

26 WHEREAS, the State's recovery homes are monitored by
27 agencies that contract for its services, but the level of
28 oversight for clean and sober homes varies, depending on the
29 referral source as well as independent operation; and
30

31 WHEREAS, the vast majority of clean and sober homes are
32 independently owned and have a landlord-tenant relationship with
33 house rules where the tenants generally govern themselves such
34 that the housing is considered independent living; and
35

36 WHEREAS, alcoholism and past illicit drug use are
37 considered disabilities, and those with such disabilities are
38 protected under the Federal Fair Housing Act (FHA) and the
39 Americans with Disabilities Act (ADA); and
40

41 WHEREAS, Act 193 developed procedures intended to ensure
42 that clean and sober homes owners and operators who volunteer to

1 apply to be on the current registry are properly monitored and
2 accountable to meet occupancy, zoning, and permitting
3 requirements, as well as quality standards while not violating
4 protection laws such as the FHA and ADA; and

5
6 WHEREAS, most clean and sober homes on the voluntary
7 registry are well-run; however there are concerns that other
8 homes not on the registry are overcrowded and not well-managed,
9 and some owners/lessors violate their county land use permits by
10 overcrowding, which results in noise and parking complaints from
11 neighbors; and

12
13 WHEREAS, notwithstanding the needs of those who benefit
14 from these homes, neighboring residents have expressed concerns
15 over the legality of the operation of clean and sober homes in
16 their immediate vicinity and the poor conduct and lack of
17 neighborly behavior of some residents; and

18
19 WHEREAS, the Alcohol and Drug Abuse Division has not
20 received any complaints of so-called "harm reduction" homes
21 where occupants continue to use alcohol and drugs while seeking
22 recovery; and

23
24 WHEREAS, various types of group homes are defined in
25 section 46-4(d), Hawaii Revised Statutes, relating to county
26 zoning--section 45-4(d), Hawaii Revised Statues, defines terms
27 that are now consistent with the federal FHA, because Act 193
28 did not include language that required a public informational
29 meeting be held in the affected community before a clean and
30 sober home, or drug rehabilitation home, is located in that
31 community; and

32
33 WHEREAS, Act 193 intended to balance the needs of those
34 requiring the support of group homes and the concerns of the
35 community members, by helping prospective residents of clean and
36 sober homes to access a stable, alcohol- and drug-free,
37 home-like living environment in residences that comply with
38 federal, state, and county requirements and minimum quality
39 standards; and

40
41 WHEREAS, it is recognized that there is a need to improve
42 the operation of clean and sober homes if these homes are to

H.C.R. NO. 178

1 achieve their intended purposes, including that they are well-
2 run; and

3

4 WHEREAS, the counties are the proper agency to issue
5 permits according to zoning ordinances, encourage the orderly
6 development of land resources within their jurisdictions, and
7 enforce compliance by appropriate fines and penalties; and

8

9 WHEREAS, a collaborative effort among the Department of
10 Health to register and monitor, the counties to enforce
11 permitting and zoning ordinances, and the state and providers to
12 give preference to compliant clean and sober homes would ensure
13 an accountability process by which the homes would be monitored
14 in such a way to address the concerns of those requiring the
15 support of the homes, without using direct government oversight
16 that is inconsistent with the protection laws; now, therefore,

17

18 BE IT RESOLVED by the House of Representatives of the
19 Thirty-second Legislature of the State of Hawaii, Regular
20 Session of 2024, the Senate concurring, that this body urges the
21 Department of Health to convene and lead an informal working
22 group to discuss the management of clean and sober homes and
23 discuss possible collaboration with the counties and other
24 affected regulators to ensure clean and sober homes comply with
25 county regulations and to encourage registration without using
26 restrictions that are discriminatory; and

27

28 BE IT FURTHER RESOLVED that the informal working group
29 should include input from the Hawaii Paroling Authority; the
30 Judiciary's Adult Client Services Branch; the Department of the
31 Attorney General; and any others, as appropriate, as determined
32 by the Director of Health or their designee; and

33

34 BE IT FURTHER RESOLVED that the working group should
35 discuss legal issues pertaining to protective FHA and ADA laws,
36 how the Department of Health and pertinent county agencies can
37 work more closely together to resolve problems and complaints
38 received by either the State or counties regarding clean and
39 sober homes; the Department's efforts to educate the public,
40 expand the current registry membership, and expand complaint
41 response; how the Department keeps an inventory of homes
42 throughout the State including those not on the registry; and

H.C.R. NO. 178

1 establish processes to ensure that functions are aligned between
2 the State and county for accountability, community education,
3 and advocacy; and
4

5 BE IT FURTHER RESOLVED that certified copies of this
6 Concurrent Resolution be transmitted to the Director of Health,
7 Director of Public Safety, Administrator of the Hawaii Paroling
8 Authority, Chief Justice of the Hawaii Supreme Court, Attorney
9 General, and Mayors of the City and County of Honolulu, County
10 of Maui, County of Kauai, and County of Hawaii.
