# HOUSE CONCURRENT RESOLUTION

REQUESTING THE AUDITOR TO CONDUCT AN AUDIT OF THE DEPARTMENT OF  
EDUCATION'S STATEWIDE BACKLOG OF CAPITAL IMPROVEMENT REPAIR  
AND MAINTENANCE PROJECTS.

1           WHEREAS, the Department of Education is responsible for the  
2 repair and maintenance of 4,425 buildings statewide, which is  
3 more than twenty million square feet of space; and  
4

5           WHEREAS, this is a time-consuming and financially-draining  
6 task as approximately twenty percent of Hawaii's two hundred  
7 fifty-seven public schools are more than one hundred years old,  
8 and the average age of school buildings in the State is seventy-  
9 two years; and  
10

11           WHEREAS, properly repairing and maintaining public school  
12 buildings is necessary for the safety of Hawaii's students and  
13 teachers; and  
14

15           WHEREAS, in January 2018, the Department of Education  
16 reported to the Legislature that the school repair and  
17 maintenance backlog was \$293,000,000; and  
18

19           WHEREAS, however, the Department of Education later  
20 redacted that statement, reporting that the true backlog was  
21 \$868,000,000; and  
22

23           WHEREAS, this backlog has sharply increased in the few past  
24 years and is now estimated to be more than \$1,400,000,000, with  
25 more than four thousand six hundred repair and maintenance  
26 projects needed to be undertaken or finished by the Department  
27 of Education; and  
28

29           WHEREAS, because many public school facilities in the State  
30 are in need of repair or renovation, this body finds that it is

1 necessary to increase transparency and fiscal discipline by the  
2 Department of Education; and

3  
4 WHEREAS, an audit of the Department of Education could help  
5 identify any shortcomings in the current distribution of funds  
6 and determine any necessary changes to increase the efficiency  
7 of the Department of Education's capital improvement repair and  
8 maintenance projects; now, therefore,

9  
10 BE IT RESOLVED by the House of Representatives of the  
11 Thirty-second Legislature of the State of Hawaii, Regular  
12 Session of 2024, the Senate concurring, that the Auditor is  
13 requested to conduct an audit of the Department of Education's  
14 statewide backlog of capital improvement repair and maintenance  
15 projects; and

16  
17 BE IT FURTHER RESOLVED that in its audit, the Auditor is  
18 requested to examine:

- 19
- 20 (1) The Department of Education's processes for
- 21 identifying and prioritizing repair and maintenance
- 22 issues;
- 23
- 24 (2) The Department's Facilities and Maintenance Branch's
- 25 processes relating to repair and maintenance projects,
- 26 including how the projects are initiated and managed;
- 27 and
- 28
- 29 (3) The Department's procurement of services and how the
- 30 timely procurement of services may allow the
- 31 Department to encumber appropriations to prevent those
- 32 funds from lapsing; and
- 33

34 BE IT FURTHER RESOLVED that the Auditor is also requested  
35 to examine the contracts for projects in which funding is  
36 proposed to be lapsed on June, 30, 2024, including factors that  
37 led to the proposals to lapse the capital improvement project  
38 funds for the projects; and

39  
40 BE IT FURTHER RESOLVED that the Auditor is requested to  
41 submit a report of its findings and recommendations, including  
42 any proposed legislation, to the Legislature no later than  
43 twenty days prior to the convening of the Regular Session of  
44 2025; and

1  
2 BE IT FURTHER RESOLVED that certified copies of this  
3 Concurrent Resolution be transmitted to the Chairperson of the  
4 Board of Education, Superintendent of Education, and Auditor.
