
A BILL FOR AN ACT

RELATING TO A MODERN HAWAII HISTORY MUSEUM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii has a rich
2 history captured for posterity by numerous institutions. Among
3 these are the Bernice Pauahi Bishop Museum, also known as the
4 State of Hawaii Museum of Natural and Cultural History, which
5 has a primary focus on early Hawaiian history, navigation, and
6 science; Iolani Palace, which provides a primary focus on the
7 Hawaiian monarchy and overthrow era; the King Kamehameha V
8 Judiciary History Center, which has a primary focus on educating
9 the public on the judicial process and Hawaii's legal history;
10 and the State Archives, which has a vast catalogue of historical
11 documents and artifacts such as copies of the Hawaii State
12 Constitution and moon rocks, but no meaningful place to properly
13 exhibit them and tell their story.

14 The legislature further finds that through the territorial
15 period and statehood to the present day, Hawaii played a
16 significant role contributing to national and global events and
17 progress. This includes growing as a model of social

1 integration as the nation's first majority-minority state, which
2 the Reverend Martin Luther King, Jr. called, "a place where we
3 see the glowing daybreak of freedom and dignity and racial
4 justice". It includes the local and national contributions of
5 Hawaii's greatest generation of leaders growing out of the World
6 War II era, who broke conventional norms and influenced the
7 course of the nation; world-renowned modern discoveries achieved
8 in ocean science and astronomy; and development of a modern
9 renaissance in music and arts that has influenced the world.
10 Hawaii has frequently driven political progress in the United
11 States in its role as the birthplace of Title IX, legal
12 abortion, widely accessible health care, same-sex marriage, and
13 most recently leadership on climate change, including
14 groundbreaking one hundred percent clean energy and
15 carbon-negative economy policies now being replicated around the
16 country.

17 Accordingly, the purpose of this Act is to:

- 18 (1) Establish a museum of modern Hawaii history;
- 19 (2) Convene a task force to further develop plans for the
20 establishment, construction, and operation of a museum
21 of modern Hawaii history; and

1 (3) Appropriate funds for the purposes of this Act.

2 SECTION 2. Chapter 9, Hawaii Revised Statutes, is amended
