15 systems, services, hardware, software, and security
16 management;
- 17 (6) Report annually to the governor and the legislature on
18 the status and implementation of the state information
19 technology strategic plan;
- 20 (7) Update the state information technology strategic plan
21 every four years;

- 1 (8) Perform other necessary or desirable functions to
2 facilitate the intent of this section;
- 3 (9) Employ persons exempt from chapters 76 and 89;
- 4 (10) Provide centralized computer information management
5 and processing services, coordination in the use of
6 all information processing equipment, software,
7 facilities, and services in the executive branch of
8 the State, and consultation and support services in
9 the use of information processing and management
10 technologies to improve the efficiency, effectiveness,
11 and productivity of state government programs;
- 12 (11) Establish, coordinate, and manage a program to provide
13 a means for public access to public information and
14 develop and operate an information network in
15 conjunction with overall plans for establishing a
16 communication backbone for state government; and
- 17 (12) Adopt rules, pursuant to chapter 91, necessary for the
18 purposes of this part.
- 19 (b) There is established an information technology
20 steering committee to assist the chief information officer in

1 developing the State's information technology standards and
2 policies, including but not limited to:

- 3 (1) Assisting the chief information officer in developing
4 and implementing the state information technology
5 strategic plans;
- 6 (2) Assessing executive branch departments' progress in
7 meeting the objectives defined in the state
8 information technology strategic plans and identifying
9 best practices for shared or consolidated services;
- 10 (3) Ensuring technology projects are selected based on
11 their potential impact and risk to the State, as well
12 as their strategic value;
- 13 (4) Ensuring that executive branch departments maintain
14 sufficient tools to assess the value and benefits of
15 technology initiatives;
- 16 (5) Assisting the chief information officer in developing
17 state information technology standards and policies;
18 [and]
- 19 (6) Clarifying the roles, responsibilities, and authority
20 of the office of enterprise technology services,

1 specifically as it relates to its statewide duties[-];
2 and
3 (7) Assisting the chief information officer in developing
4 a plan to enhance the hawaii.gov mobile application to
5 increase resident and visitor usage of the mobile
6 application.

7 The information technology steering committee shall consist
8 of thirteen members, with four members to be appointed by the
9 senate president, four members to be appointed by the speaker of
10 the house of representatives, one member to be appointed by the
11 chief justice, one member to be appointed by the governor, one
12 member to be appointed by the superintendent of education, and
13 one member to be appointed by the president of the University of
14 Hawaii, and may include representatives from executive branch
15 departments, the legislature, and private individuals. The
16 chief information officer shall serve as an ex officio member
17 and as the chair of the committee. The committee shall select a
18 vice chair from among its members. Each member shall be
19 appointed for four-year terms; provided that each member shall
20 hold office until reappointed by the member's respective

1 appointing authority at the end of the member's term or until
2 the member's successor is appointed.

3 (c) There is established within the department of
4 accounting and general services a special fund to be known as
5 the shared services technology special fund to be administered
6 and expended by the chief information officer for the purposes
7 of this subsection. Three per cent of the receipts collected
8 from special funds pursuant to section 36-27 shall be deposited
9 into the shared services technology special fund. Any law to
10 the contrary notwithstanding, the moneys in the fund shall be
11 used to fund the operations of the chief information officer and
12 the information technology steering committee, including the
13 employment and training of staff and any other activities deemed
14 necessary by the chief information officer to carry out the
15 purposes of this section.

16 (d) The chief information officer and the comptroller may
17 raise funds to defray administrative costs and may accept
18 donations of money and personal property on behalf of the
19 information technology steering committee; provided that all
20 donations accepted from private sources shall be expended in the
21 manner prescribed by the contributor, and all moneys received

1 shall be deposited into the information technology trust
2 account. The chief information officer may also directly
3 receive donated personal services and personal property for
4 which funding is not required.

5 (e) The chief information officer shall present an annual
6 report of the office of enterprise technology services to the
7 information technology steering committee for public comment and
8 shall thereafter, but no later than twenty days prior to the
9 convening of each regular session of the legislature, submit the
10 annual report to the governor and legislature. The annual
11 report shall include updates on the activities and programs
12 under the authority of the chief information officer and the
13 information technology steering committee, updates on the
14 hawaii.gov mobile application, and the expenditures of all
15 moneys received from all sources and deposited into the
16 information technology trust account and the shared services
17 technology special fund.

18 (f) The chief information officer shall submit the updated
19 state information technology strategic plan, revised pursuant to
20 subsection (a)(7), to the governor and the legislature no later
21 than twenty days prior to the convening of every fourth regular

1 session of the legislature; provided that the chief information
2 officer shall submit the first updated state information
3 technology strategic plan to the governor and the legislature no
4 later than twenty days prior to the convening of the regular
