
A BILL FOR AN ACT

RELATING TO LAHAINA WILDFIRE RECOVERY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Maui wildfires
2 destroyed more than two thousand homes and more than eight
3 hundred places of business. Property damages have been
4 estimated at \$6,000,000,000 and the lost business revenue has
5 been estimated at \$2,700,000 per day. Recovery is expected to
6 take five to ten years.

7 The legislature further finds that establishing a
8 commission to oversee the recovery process, understand the
9 entirety of the recovery, accept input from the public, and
10 provide a public-facing entity for recovery efforts will help to
11 ensure that the recovery efforts consider the needs of all
12 individuals involved.

13 Accordingly, the purpose of this Act is to establish a
14 commission to provide a comprehensive and integrated vision of
15 the 2023 Lahaina wildfire recovery. The legislature does not
16 intend for this commission to take the place of regular
17 information for the community and government, but instead

1 provide a public-facing entity that will simultaneously gather
2 and disseminate information significant to the wildfire victims
3 and the State at-large, as recovery efforts proceed, and provide
4 a conduit through which community-initiated guidance on the
5 recovery efforts may be communicated to the public agencies
6 conducting the recovery, remediation, and restoration
7 activities.

8 SECTION 2. (a) There is established the Lahaina recovery
9 oversight commission within the department of accounting and
10 general services for administrative purposes. The purpose of

- 14 senate who were residents of Lahaina, Maui, at the

- 19 relevant for-profit and nonprofit entities, and relevant
- 20 federal, state, and Maui county agencies and departments to
- 21 participate in the public meetings of the commission.

1 (e) The members of the commission shall serve without
2 compensation but shall be reimbursed for expenses, including
3 reasonable travel expenses, necessary for the performance of
4 their duties.

5 (f) No later than December 31, 2024, the commission shall
6 establish standards for the recovery, including identifying
7 relevant issues for analysis, establishing goals for rebuilding
8 Lahaina, Maui, and drafting metrics to measure progress toward
9 achieving the goals. The commission shall consult with the
10 community and policy leaders in developing the standards and
11 metrics required by this subsection.

12 (g) With the assistance of the office of enterprise
13 technology services, the commission shall establish a website to
14 serve as a clearinghouse for information related to the Lahaina
15 wildfire recovery. The website shall also accept comments and
16 other input from the public regarding the recovery.

17 (h) The commission's proceedings shall be subject to
18 chapter 92, Hawaii Revised Statutes.

19 (i) Not less than twenty days before the convening of the
20 2026, 2027, 2028, 2029, and 2030 regular sessions of the
21 legislature, the commission shall submit an annual report to the

1 legislature on the following regarding the recovery of Lahaina,
2 Maui:

- 3 (1) The status of rebuilding housing, educational
- 4 facilities, and community facilities;
- 5 (2) The efforts taken for environmental restoration;
- 6 (3) The status of infrastructure restoration;

- 10 subsection (f); and
- 11 (6) Findings, recommendations, and proposed legislation,
- 12 if any.
- 13 (j) The commission shall cease to exist on June 30, 2030.

14 SECTION 3. In accordance with section 9 of article VII, of
 15 the Constitution of the State of Hawaii and sections 37-91 and
 16 37-93, Hawaii Revised Statutes, the legislature has determined
 17 that the appropriation contained in this Act will cause the
 18 state general fund expenditure ceiling for fiscal year 2024-2025
 19 to be exceeded by \$, or per cent. The reasons
 20 for exceeding the general fund expenditure ceiling are that the

1 appropriation made in this Act is necessary to serve the public
2 interest and to meet the needs provided for by this Act.

3 SECTION 4. There is appropriated out of the general
4 revenues of the State of Hawaii the sum of \$ or so
5 much thereof as may be necessary for fiscal year 2024-2025 for
6 the Lahaina recovery oversight commission.

7 The sum appropriated shall be expended by the department of
