
A BILL FOR AN ACT

RELATING TO SUSTAINABLE FOOD SYSTEMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that a sustainable food
2 system is one in which producers, retailers, members of the
3 community, non-governmental organizations, and government
4 agencies partner to create a vibrant and resilient local food
5 economy that enhances and sustains the environmental, economic,
6 and social health of the community.

7 The legislature further finds that developing a more
8 sustainable food system in Hawaii represents an opportunity to
9 create a new food economy that integrates the objectives of
10 "green" job creation, sustainable economic development, land
11 stewardship, food security, environmental protection, and
12 climate change resiliency with community health and well-being.

13 Therefore, the purpose of this Act is to establish within
14 the department of agriculture a sustainable food systems working
15 group to develop an interagency food systems plan.

16 SECTION 2. (a) There is established within the department
17 of agriculture the sustainable food systems working group. The

1 working group shall identify a governance structure and
2 implementation plan for an interagency food systems plan linked
3 to the United Nations Sustainable Development Goals for a more
4 sustainable, resilient local food economy that enhances and
5 sustains the environmental, economic, and social health of the
6 community.

7 (b) The sustainable food systems working group shall be
8 composed of the following members:

- 9 (1) One member of the house of representatives, to be
10 selected by the speaker of the house of
11 representatives;
