# SENATE CONCURRENT RESOLUTION

URGING THE UNITED STATES CONGRESS TO ADOPT THE SOCIAL SECURITY  
2100 ACT.

1           WHEREAS, the Social Security Act was originally passed in  
2 1935 to provide essential benefits and financial security to  
3 retired individuals, senior citizens, and persons with  
4 disabilities; and

5  
6           WHEREAS, individuals receiving Retired Insurance Benefits  
7 constitute the largest group of Social Security beneficiaries,  
8 with over fifty-two million retired workers or family members  
9 receiving monthly payments as of 2023; and

10  
11           WHEREAS, more than ten thousand individuals from the baby  
12 boomer generation become eligible for Retirement Insurance  
13 Benefits from Social Security every day; and

14  
15           WHEREAS, as a result of the retirement of the large baby  
16 boomer generation, it is projected that under existing law, the  
17 trust fund reserves for the Old-Age and Survivors Insurance  
18 Trust Fund and Disability Insurance Trust Fund will be depleted  
19 by 2034; and

20  
21           WHEREAS, it its projected that a depletion of the two  
22 Social Security trust funds will result in only seventy-eight  
23 percent of scheduled benefits being paid to beneficiaries on a  
24 timely basis after 2034; and

25  
26           WHEREAS, in a response to this projected cut in benefits,  
27 concerned congressional leaders introduced the Social Security  
28 2100 Act in 2023, which is intended to permanently improve  
29 Social Security's long-term health by extending the solvency of  
30 the two Social Security Trust Funds without increasing taxes on  
31 the middle class; and

1  
2 WHEREAS, according to United States Representative John B.  
3 Larson, co-introducer of the Social Security 2100 Act, the  
4 Social Security 2100 Act increases benefits by two percent  
5 across the board for all Social Security beneficiaries for the  
6 first time in fifty-two years, improves the cost-of-living  
7 adjustment to reflect economic inflation experienced by seniors,  
8 and increases benefits for lower income retirees; and  
9

10 WHEREAS, the Social Security 2100 Act also restores student  
11 benefits up to age twenty-six for dependent children of disabled  
12 and deceased workers; increases access to benefits for children  
13 living with grandparents or other relatives; repeals the  
14 windfall elimination provision and government pension offset  
15 that currently penalizes certain public servants; ends the five-  
16 month waiting period to receive disability benefits; and  
17 increases benefits by an additional five percent for seniors who  
18 have been receiving benefits for fifteen years or more; and  
19

20 WHEREAS, the Social Security 2100 Act would cut taxes for  
21 twenty-three million middle-income beneficiaries while paying  
22 for benefits by applying the Federal Insurance Contributions Act  
23 to earnings over \$400,000 and adding an additional 12.4 percent  
24 net investment income tax for taxpayers making over \$400,000;  
25 and  
26

27 WHEREAS, it is imperative that Social Security remains a  
28 well-funded public entitlement without being privatized through  
29 self-directed retirement accounts that would subject  
30 beneficiaries, and particularly retiree savings accounts, to  
31 considerable risk and redirect Social Security assets into the  
32 coffers of Wall Street brokerages and investment banks; and  
33

34 WHEREAS, the United States Congress must act urgently to  
35 preserve Social Security benefits for current and future  
36 retirees; now, therefore,  
37

38 BE IT RESOLVED by the Senate of the Thirty-second  
39 Legislature of the State of Hawaii, Regular Session of 2024, the  
40 House of Representatives concurring, that the United States  
41 Congress is urged to adopt the Social Security 2100 Act; and  
42

# S.C.R. NO. 109

1 BE IT FURTHER RESOLVED that the United States Congress is  
2 strongly encouraged to reject any legislation that would lead to  
3 the privatization of Social Security benefits; and

4

5 BE IT FURTHER RESOLVED that certified copies of this  
6 Concurrent Resolution be transmitted to the President Pro  
7 Tempore of the United States Senate, Speaker of the United  
8 States House of Representatives, and each member of Hawaii's  
9 congressional delegation.
