THE SENATE THIRTY-SECOND LEGISLATURE, 2024 STATE OF HAWAII

S.C.R. NO. 179

MAR 0 8 2024

## SENATE CONCURRENT RESOLUTION

## ADOPTING THE UNIFORM GUARDIANSHIP, CONSERVATORSHIP, AND OTHER PROTECTIVE ARRANGEMENTS ACT.

1 WHEREAS, the Uniform Guardianship and Protective 2 Proceedings Act, published by the Uniformed Law Commission, was 3 adopted by the Legislature in 2004 and codified as parts 1 4 through 4 of article V, chapter 560, Hawaii Revised Statutes; 5 and 6

7 WHEREAS, the Uniformed Law Commission revised the Uniform
8 Guardianship and Protective Proceedings Act in 2017, renaming it
9 as the Uniform Guardianship, Conservatorship, and Other
10 Protective Arrangements Act (UGCOPAA); and

WHEREAS, the UGCOPAA has three overarching goals: the provision of care and services in a more person-centered approach; promotion and protection of the rights and interests of individuals in need of guardian or conservatorship; and development and implementation of systems that make it easier for all persons involved in the guardianship and conservatorship process to meet these goals; and

20 WHEREAS, the UGCOPAA, in furtherance of its first goal, rejects outdated and offensive terminology and includes new 21 provisions that require the individuals subject to the 22 guardianship or conservatorship to be given meaningful notice of 23 their rights and how to assert them; require the involvement of 24 25 individuals subject to a quardianship or conservatorship in decisions about their lives; and require the guardians and 26 27 conservators to create person-centered plans and facilitate court monitoring of compliance with those plans; and 28 29

WHEREAS, the UGCOPAA, in furtherance of its second goal,
 includes provisions designed to ensure that the least
 restrictive means are used to protect an individual alleged to
 need a guardianship or conservatorship, provide better guidance

## S.C.R. NO. 179

to guardians and conservators, and help courts monitor guardians 1 and conservators; and 2 3

4 WHEREAS, the UGCOPAA, in furtherance of its third goal, creates new petition requirements to ensure judges have the 5 information needed to make appropriate decisions, creates an 6 option for courts to enter orders instead of quardianship or 7 conservatorship where such less restrictive alternatives would 8 meet a respondent's needs, and offers model forms to make it 9 easier for petitioners to seek limited appointments instead of 10 full ones; and 11

13 WHEREAS, it is crucial for the State to adopt the UGCOPAA to make the process of establishing a guardianship or 14 15 conservatorship easier to understand for all individuals who need to comply with its directives; now, therefore, 16 17

BE IT RESOLVED by the Senate of the Thirty-second 18 Legislature of the State of Hawaii, Regular Session of 2024, the 19 20 House of Representatives concurring, that this body adopt the UGCOPAA in the form most recently published by the Uniformed Law 21 22 Commission; and

BE IT FURTHER RESOLVED that this body introduce and support 24 25 proposed legislation that reflects a more person-centered 26 philosophy, adopting the revisions that identify and remove intangible barriers for individuals living with developmental 27 28 disabilities thereby improving access to goods, services, and interests to their managed care; and 29 30

BE IT FURTHER RESOLVED that certified copies of this 31 Concurrent Resolution be transmitted to the President of the 32 33 Senate, Speaker of the House of Representatives, Director of Human Services, Director of Health, and Attorney General. 34
