# SENATE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF EDUCATION TO DEVELOP AND IMPLEMENT  
A STATEWIDE BEHAVIORAL HEALTH CURRICULA PLAN FOR PUBLIC  
SCHOOL STUDENTS IN GRADES KINDERGARTEN THROUGH TWELVE.

1           WHEREAS, according to a 2021 United States Surgeon  
2 General's Advisory on protecting youth mental health, the  
3 growing use of digital social media; increased academic  
4 pressure; limited access to mental health care; health risk  
5 behaviors such as drug and alcohol use; broader stressors such  
6 as finance, income inequality, and racism, all contribute to the  
7 upward trend in mental health challenges facing young people;  
8 and  
9

10           WHEREAS, a 2021 Centers for Disease Control and Prevention  
11 analysis states that nearly forty percent of high school  
12 students reported experiencing poor mental health during the  
13 coronavirus disease 2019 pandemic and forty-four percent of high  
14 school students reported persistent feelings of sadness or  
15 helplessness in the prior year; and  
16

17           WHEREAS, providing behavioral health education in the  
18 State's public schools can assist students to better understand  
19 their feelings about, and responses to, various situations and  
20 where to get help; now, therefore,  
21

22           BE IT RESOLVED by the Senate of the Thirty-second  
23 Legislature of the State of Hawaii, Regular Session of 2024, the  
24 House of Representatives concurring, that the Department of  
25 Education is requested to develop and implement a statewide  
26 behavioral health curricula plan for public school students in  
27 kindergarten through twelfth grade; and  
28

29           BE IT FURTHER RESOLVED that the curriculum include but not  
30 be limited to age-appropriate information on:  
31

32           (1) Mental and emotional health;
