SENATE RESOLUTION

REQUESTING THE OFFICE OF PLANNING AND SUSTAINABLE DEVELOPMENT
AND LAND USE COMMISSION TO DEVELOP AN INTEGRATED LAND USE
PLAN.

1 WHEREAS, there are various, sometimes-competing state
2 plans, goals, and objectives regarding land use in the State,
3 including the need for land to increase food sustainability,
4 promote renewable energy resources, address the shortage of
5 affordable housing, and adapt to and mitigate sea level rise and
6 climate change; and

7
8 WHEREAS, a limited amount of land exists to meet these
9 different plans, goals, and objectives; and

10
11 WHEREAS, numerous climate-change, food-sustainability,
12 affordable-housing, and renewable-energy targets have been
13 enacted by the State, including developing at least 22,500
14 affordable rental housing units; doubling food production;
15 increasing food exports; requiring the generation of all
16 electricity from renewable sources; sequestering more
17 atmospheric carbon and greenhouse gases; requiring all state and
18 county facilities to use reclaimed water; and mandating the
19 upgrade of all cesspools; and

20
21 WHEREAS, an integrated land use plan would help to address
22 these various, sometimes-competing state plans, goals, and
23 objectives, particularly with respect to agriculture, energy,
24 and housing; and

25
26 WHEREAS, the Office of Planning and Sustainability
27 Development and Land Use Commission have the expertise to
28 develop an integrated land use plan; now, therefore,

29
30 BE IT RESOLVED by the Senate of the Thirty-second
31 Legislature of the State of Hawaii, Regular Session of 2024,
32 that the Office of Planning and Sustainable Development and Land

1 Use Commission are requested to develop an integrated land use
2 plan; and

3
4 BE IT FURTHER RESOLVED that the integrated land use plan
5 incorporate various existing studies and information to serve as
6 a guide for the State's planning and decision-making on
7 agriculture, energy, and housing; and

8
9 BE IT FURTHER RESOLVED that the integrated land use plan
10 include the following:

- 11
12 (1) Land use data that can be used for planning and
13 decision-making to resolve the competing uses of land
14 within the agricultural, rural, and urban districts;
15
16 (2) An analysis of the amount and types of agricultural
17 lands needed to meet the State's food-sustainability
18 goals;
19
20 (3) An analysis of the amount and types of lands needed to
21 meet the State's renewable-energy goals;
22
23 (4) An analysis of the amount of land that can be used to
24 meet the State's affordable-housing goals; and
25
26 (5) Recommendations on the amount of land and general
27 location of areas needed to adapt to and mitigate the
28 impacts of sea level rise and climate change; and
29

30 BE IT FURTHER RESOLVED that the Office of Planning and
31 Sustainable Development and Land Use Commission are requested to
32 submit the integrated land use plan, including any proposed
33 legislation, to the Legislature by December 1, 2024; and
34

35 BE IT FURTHER RESOLVED that certified copies of this
36 Resolution be transmitted to the Acting Director of the Office
37 of Planning and Sustainable Development and Chair of the Land
38 Use Commission.
