RE: H.B. No. 2015
H.D. 1

Honorable Scott K. Saiki
Speaker, House of Representatives
Thirty-Second State Legislature
Regular Session of 2024
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred H.B. No. 2015 entitled:

"A BILL FOR AN ACT RELATING TO THE DEPARTMENT OF
TRANSPORTATION,"

begs leave to report as follows:

The purpose of this measure is to require the Department of Transportation to identify an emergency egress route other than Komo Mai drive from Pacific Palisades or, if no other route can be found, determine the feasibility of constructing an alternate emergency egress route.

Your Committee received testimony in support of this measure from the Pearl City Neighborhood Board No. 21 and ten individuals.

Your Committee finds that establishing an emergency egress route other than Komo Mai drive from Pacific Palisades would increase public safety in the case of a natural disaster or other occurrence.

Your Committee has amended this measure by changing the effective date to July 1, 3000, to encourage further discussion.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your

2024-1379 HB2015 HD1 HSCR HMSO

Committee is in accord with the intent and purpose of H.B. No. 2015, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 2015, H.D. 1, and be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

CHRIS TODD, Chair
