Chair Keohokalole and Members of the Committee:

My name is Candace Ito, and I am the Executive Officer of the Contractors License Board (Board). The Board supports the confirmation of Daryl Suehiro's re-appointment to the Board as a specialty contractor member.

Mr. Suehiro has been licensed as an electrical contractor since August 4, 1988, and as a journey worker electrician since October 22, 1986. He is the responsible managing employee of D. Suehiro Electric, Inc., and his licenses are current, valid, and in good standing. Mr. Suehiro has been a responsible and dedicated member of the Board and has attended all meetings held since his appointment in July 2023. In addition to regular Board meetings, he also volunteers to attend the Board's monthly Applications Committee meetings.

Having previously served on the Board, Mr. Suehiro understands the purpose of the Board and contributes his institutional knowledge to the Board's discussions. Additionally, his experience as a contractor with 40 years of expertise in the electrical field allows him to provide thoughtful insight which contributes to the Board's discussions, and sound decisions that are fair and maintain consumer protection.

Mr. Suehiro's experience as a contractor, commitment, interest in serving on the Board, and desire to contribute to the community are invaluable assets to the Board.

Thank you for the opportunity to testify on this measure.
