Statement of

before the
HOUSE COMMITTEE JUDICIARY AND HAWAIIAN AFFAIRS

2:00 PM
State Capitol, Conference Room 325

in consideration of
BILL NO SB2836, SD2, HD1
RELATING TO MAUI'S PERMANENT HOUSING RECOVERY.

Chair Tarnas, Vice Chair Takayama, and Members of the House Committee on Judiciary and Hawaiian Affairs:

The Office of Planning and Sustainable Development (OPSD) **supports** SB2836, SD2, HD1, which establishes the Interagency Council for Maui Housing Recovery to coordinate and facilitate Maui's permanent housing recovery and facilitate consultation and collaboration between State and county agencies on housing recovery initiatives for the island of Maui, and appropriates funding.

The need for additional and replacement affordable housing on Maui is clearly established, as is the urgency to deliver the housing. While recovery efforts are currently coordinating between State and county agencies, a long-term structure such as the proposed Interagency Council would help ensure that housing production continues to be a well-coordinated priority.

Thank you for the opportunity to testify on this measure.

In consideration of
S.B. 2836 SD2 HD1
RELATING TO MAUI'S PERMANENT HOUSING RECOVERY.

Chairs Ichiyama and Evslin, Vice Chairs Poepoe and Aiu, and members of the Committees.

HHFDC **supports** SB 2836 SD2 HD1, which establishes the Interagency Council for Maui Housing Recovery as an advisory body administratively attached to DBEDT to help to coordinate and facilitate Maui's permanent housing recovery, and to facilitate consultation and collaboration between the State and the County on housing recovery initiatives for Maui. The 39-member council will be chaired by the HHFDC Executive Director. This bill, which sunsets on June 30, 2034, makes an unspecified appropriation for the purpose of providing assistance in applying for federal loans and grants.

HHFDC recognizes that effective coordination among Federal, State, and County governmental agencies and the Maui community is essential for the recovery of permanent housing on Maui. This measure creates a council which will facilitate communication among the entities that are assisting in that effort, thereby streamlining the permanent housing recovery process.

Thank you for the opportunity to testify on this bill.

SB 2836, SD2, HD1, RELATING TO MAUI'S PERMANENT HOUSING RECOVERY

March 20, 2024

Aloha Chair Tarnas, Vice Chair Takayama, and Members of the Committee:

The Department of Hawaiian Home Lands (DHHL) supports this bill which 1) establishes within the Department of Business, Economic Development, and Tourism the Interagency Council for Maui Housing Recovery to coordinate and facilitate Maui's permanent housing recovery and facilitate consultation and collaboration between state and county agencies on housing recovery initiatives for the island of Maui; 2) designates the executive director of the Hawaii Housing Finance and Development Corporation to serve as chair of the council; 3) makes an appropriation; and 4) sunsets 6/30/2034 - effective 7/1/3000.

DHHL concurs with the appropriate part of section 2 of the bill on page 5 which notes the Hawaiian Homes Commission Chairperson to serve as co-vice chair of the Hawaii Interagency Council for Maui Housing Recovery. DHHL has prospective housing projects located on the island of Maui which includes the Pu'uhona Homestead Subdivision and the Leiali'i Homestead Subdivision. Some of the funds pursuant to Act 279, SLH 2022, have been encumbered to develop these projects. DHHL understands the importance of collaborative and strategic housing recovery initiatives with State and County agencies for the island of Maui and we look forward to being a part of this effort.

Thank you for your consideration of our testimony.

S.B. No. 2836 HD1, Relating to Maui's Permanent Housing Recovery

Chair Tarnas, Vice Chair Takayama, and members of the House Committee on Judiciary & Hawaiian Affairs:

The Office of the Governor offers the following comments on S.B. No. 2836 HD1, Relating to Maui's Permanent Housing Recovery.

The Office of the Governor is open to this concept identified in this potential legislation provided that there is no negative fiscal impact on the executive budget package. We thank the authors of SD1 for adding (and SD2 and HD1 for retaining) the State Disaster Recovery Coordinator and the recovery support functions identified by the Governor with their corresponding state lead. This change will ensure continued coordination among all stakeholders involved in recovery.

For the purposes of this bill many partners have been identified. In developing an effective and efficient model for managing many priorities and interests, additional consideration should be given to the distinction between voting and non-voting members. This would facilitate the Council's decision-making and reduce potential difficulties in attaining quorum.

The Maui wildfires resulted in loss of life, homes, property, infrastructure, businesses, and natural and cultural resources. This tragic incident compels the State of Hawai'i to plan effectively for recovery and expand our resiliency capacity and capability. Innovative solutions are essential to supporting these efforts.

This bill establishes the Interagency Council for Maui Housing Recovery to coordinate and facilitate Maui's permanent housing recovery and facilitate consultation and collaboration between state and county agencies on housing recovery initiatives for the island of Maui. It

also designates the executive director of the Hawai'i Housing Finance and Development Corporation to serve as chair of the council.

The State of Hawai'i State Disaster Recovery Coordinator has the role of coordinating and planning for long-term recovery and resiliency efforts in support of the County of Maui. This is in contrast to emergency response which is led by HI-EMA under Emergency Support Functions.

Last fall the Governor identified seven Recovery Support Functions (RSFs) and their corresponding State Leads. The RSFs include: Natural Resources & Cultural Resources RSF coordinated by Hawai'i Department of Land and Natural Resources; Community Planning and Capacity Building RSF coordinated by Office of Planning and Sustainable Development; Housing RSF coordinated by Hawai'i Housing Finance and Development Corporation; Infrastructure RSF coordinated by Hawai'i Department of Transportation; Economic RSF coordinated Department of Business, Economic Development and Tourism; Public Health & Healthcare Services RSF coordinated by Hawai'i State Department of Health; and Social Services RSF coordinated by Hawai'i Department of Human Services. These RSFs and their state leads have been working closely with County of Maui, federal partners, and private organizations.

This approach—a State Coordinator coupled with RSFs—is consistent with the National Disaster Recovery Framework, a FEMA structure and process developed from the collective experience of disaster recovery managers nationwide. Within this framework, HHFDC has been designated the lead agency to coordinate and advance housing development and redevelopment on state and county lands on Maui, as this bill proposes. Moreover, the majority of the Federal, State, and County members envisioned by this bill are already participating in multiple RSFs.

If you have any questions on the role of State Disaster Recovery Coordinator or the State RSFs, we ask that you contact Luke Meyers, State Disaster Recovery Coordinator for further information and a dialog on this proposal during the legislative session.

Thank you for the opportunity to provide testimony on this measure.

Senate Bill 2836 SD2 HD1: RELATING TO MAUI'S PERMANENT HOUSING RECOVERY

Conference Room 325

The Maui Hotel & Lodging Association (MHLA) is the legislative arm of the visitor industry for Maui County. We represent over 180 property and allied business members and 22,000 employees. **MHLA SUPPORTS Senate Bill 2836 SD2 HD1**, which establishes within the Department of Business, Economic Development, and Tourism the Interagency Council for Maui Housing Recovery to coordinate and facilitate Maui's permanent housing recovery and facilitate consultation and collaboration between state and county agencies on housing recovery initiatives for the island of Maui. Designates the executive director of the Hawaii Housing Finance and Development Corporation to serve as chair of the council.

MHLA recognizes that effective coordination among Federal, State, and County governmental agencies and the Maui community is essential for the recovery of permanent housing on Maui. This measure creates a council which will facilitate communication among the entities that are assisting in that effort, thereby streamlining the permanent housing recovery process. A long-term structure such as the proposed Interagency Council would help ensure that housing production continues to be a well coordinated priority.

MHLA **supports SB2836 SD2 HD1** in support of our workforce and our community.

Thank you for the opportunity to provide this testimony.

HEARING BEFORE THE HOUSE COMMITTEE ON JUDICIARY & HAWAIIAN AFFAIRS
HAWAII STATE CAPITOL, HOUSE CONFERENCE ROOM 325

Members of the Committee on Judiciary & Hawaiian Affairs

SUPPORT SB2836 SD2 HD1 RELATING TO MAUI'S PERMANENT HOUSING RECOVERY

The Maui Chamber of Commerce **SUPPORTS SB2836 SD2 HD1.**

Maui County had a housing crisis prior to the wildfires and given the now extreme need for housing on Maui exacerbated by the wildfires, we need urgent solutions. We recognize there are significant state and county lands that can be used for housing, and we support the idea of creating this council who will formulate a strategic housing plan, recommend policy, regulatory and statutory changes, and more. With strong representation by authorities currently involved in housing, we feel this council could expedite the planning, permitting, and building of desperately needed affordable housing and rental units. We appreciate that the council will also help secure funding for the projects and have to report to the Governor, Legislature, and Mayor of Maui County as it will help ensure this remains a high priority item and is constantly moving forward.

We appreciate the previous committee addressing our concern with an amendment that requires the council to work with Maui-based businesses to the greatest extent possible.

Further, while housing is imperative to our economic recovery, we can already see that DBEDT has a significant number of other responsibilities on our economic recovery and diversification for the next few decades. We support SB2028 to establish a separate Department of Housing and would like to see this council centralized under that department, should this bill pass.

For these reasons we **SUPPORT SB2836 SD2 HD1** and respectfully ask that it be passed.

Sincerely,

Pamela Tumpap
President

Comments:

There is a need for coordination but

1. the membership is rather large and unwieldy
2. too many governor appointments
3. not enough community representation
