In consideration of
HOUSE BILL NO. 1374
RELATING TO COUNTIES

Aloha Chair Quinlan, Vice Chair Hussey-Burdick, and members of the Committee on Tourism,

The Hawai'i Tourism Authority (HTA) appreciates the opportunity to offer comments in support of the intent of HB1374, which makes explicit the counties' authority to regulate hosting platforms providing booking services for short-term vacation rentals.

While the number of visitors to Hawai'i has increased over the years, there have been no major increases to the number of traditional units which include hotel, condo hotel and timeshare units in the past decade. From 2009 to 2019, the state experienced an increase in visitor arrivals from 6 million to over 10 million, a 59.5% increase in arrivals without a corresponding increase in accommodations. We believe these additional visitors likely stayed in non-traditional units, including short-term vacation rentals.

Our community-driven Destination Management Action Plans across Hawai'i clearly articulate a desire to manage visitor accommodations – specifically, taking steps to limit and regulate short-term vacation rentals in neighborhoods and other sensitive areas in our communities. We are supportive of state and county efforts to advance that priority, and we support the intent of this measure to provide counties the tools needed to effectively regulate short-term vacation rentals through the hosting platforms that provide booking services.

HTA stands ready to assist the counties in their efforts to manage short-term vacation rentals, and we appreciate this opportunity to provide these comments in support of the intent of HB1374. Mahalo.

Comments:

The illegal short-term rental operators have been ignoring or using every loophole in the book to get around and frustrate county ordinances prohibiting short-term rentals. The provisions of this bill will significantly assist county enforcement.
