Not Compliant	The entity is not in compliance with the requirement and should contact the issuing agency for more information

**DECLARATION STATEMENT OF  
APPLICANTS FOR GRANTS PURSUANT TO  
CHAPTER 42F, HAWAII REVISED STATUTES**

The undersigned authorized representative of the applicant certifies the following:

- 1) The applicant meets and will comply with all of the following standards for the award of grants pursuant to Section 42F-103, Hawaii Revised Statutes:
  - a) Is licensed or accredited, in accordance with federal, state, or county statutes, rules, or ordinances, to conduct the activities or provide the services for which a grant is awarded;
  - b) Complies with all applicable federal and state laws prohibiting discrimination against any person on the basis of race, color, national origin, religion, creed, sex, age, sexual orientation, or disability;
  - c) Agrees not to use state funds for entertainment or lobbying activities; and
  - d) Allows the state agency to which funds for the grant were appropriated for expenditure, legislative committees and their staff, and the auditor full access to their records, reports, files, and other related documents and information for purposes of monitoring, measuring the effectiveness, and ensuring the proper expenditure of the grant.
- 2) If the applicant is an organization, the applicant meets the following requirements pursuant to Section 42F-103, Hawaii Revised Statutes:
  - a) Is incorporated under the laws of the State; and
  - b) Has bylaws or policies that describe the manner in which the activities or services for which a grant is awarded shall be conducted or provided; and
- 3) If the applicant is a non-profit organization, it meets the following requirements pursuant to Section 42F-103, Hawaii Revised Statutes:
  - a) Is determined and designated to be a non-profit organization by the Internal Revenue Service; and
  - b) Has a governing board whose members have no material conflict of interest and serve without compensation.
- 4) The use of grant-in-aid funding complies with all provisions of the Constitution of the State of Hawaii (for example, pursuant to Article X, section 1, of the Constitution, the State cannot provide "... public funds ... for the support or benefit of any sectarian or nonsectarian private educational institution...").

Pursuant to Section 42F-103, Hawaii Revised Statutes, for grants used for the acquisition of land, when the organization discontinues the activities or services on the land acquired for which the grant was awarded and disposes of the land in fee simple or by lease, the organization shall negotiate with the expending agency for a lump sum or installment repayment to the State of the amount of the grant used for the acquisition of the land.

Further, the undersigned authorized representative certifies that this statement is true and correct to the best of the applicant's knowledge.

## Application for Grants

*If any item is not applicable to the request, the applicant should enter "not applicable".*

### **I. Certification – Please attach immediately after cover page**

#### **1. Hawaii Compliance Express Certificate (If the Applicant is an organization)**

If the applicant is an organization, the applicant shall submit one (1) copy of a Hawaii Compliance Express Certificate from the Comptroller of the Department of Accounting and General Services that is dated no earlier than December 1, 2023.

#### **2. Declaration Statement**

The applicant shall submit a declaration statement affirming its compliance with Section 42F-103, Hawaii Revised Statutes.

#### **3. Public Purpose**

The applicant shall specify whether the grant will be used for a public purpose pursuant to Section 42F-102, Hawaii Revised Statutes.

### **II. Background and Summary**

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background;  
Kalihi-Palama Health Center (KPHC) is a 501 (C) (3) non-profit health care agency. KPHC is a Federally Qualified Community Health Center (FQHC) that plays a critical role in the community by providing health care and social services to patients who typically face significant barriers when accessing health care and social services. KPHC is located in the heart of Kalihi-Palama with a satellite in Honolulu's Downton/Chinatown and a clinic for Homeless in Iwilei Punawai Clinic. We have the highest concentration of public housing and tax subsidized low-income rental units in Hawaii.

KPHC opened its doors in 1975 in response to community concerns regarding both the health and the social determinants of health of poor Native Hawaiians, and immigrants from several Asian Countries and the Pacific Islands. In addition to poverty, these residents continue to face tremendous language and cultural barriers that affect their health and their ability to access health care and to

navigate the care delivery systems this diverse community for over 45 years. In 2023, 20,796 patients in 104,415 visits. This does not include our WIC visits.

Our 915 facilities opened its doors in 1994 and celebrates 30 years of services our community this year. The site became our main health care campus and seen much growth during this time. Currently, the roof during heavy down pours leaks which causes KPHC to close down an eligibility workers office and at times an exam room. The roof is in need for replacement. Replace 2 Air Condition Units as these units are old and are in need of replacement. Replace our Dental chairs and x-ray machine are old. We would like to acquire new equipment to provide much needed dental care for the patients and residents in our community. Our bathrooms are also aged. Remodeling by removing old flooring, tiles and bathroom fixtures is needed. Updating our security system which is the original security system for the building.

These renovations will allow patients a better experience when they come in for their health care needs. It will allow patients to feel more welcomes and comfortable int their medical home. It will allow staff to have a good feel in their work environment. This will assist the agency in attracting and maintaining staffing during these times.

2. The goals and objectives related to the request;  
The goals of the project are to make renovations to KPHC's main sit 915 North King Street.
  1. Replace aging dental equipment with 2 dental chairs and Panorex xray machine
  2. Replace 2 Air Conditioning Units
  3. Replace original security system
  4. Replace flooring and bathroom fixtures in 2 patient and 2 staff bathrooms.
  5. Repaint the interior.
3. The public purpose and need to be served;  
KPHC serves over 20,000 patients annually from all over the island due to cultural needs and access to health and social service care. Renovations to the 915 sites are needed to continue to provide the same access to care along with providing a comfortable environment for staff to work in and patients to receive care and assistance in. Many of our patients are below the poverty level and approximately 30% require interpretation services.
4. Describe the target population to be served; and

kPHC's target population is predominantly Asian, Native Hawaiian and Pacific Island ethnic minorities. Over 83% of KPHC's patients come from these ethnic minorities. Overall KPHC serves patients in 17 different languages and cultures, with 52%, Asian and 31% Native Hawaiian and other Pacific Islanders. While

there are several health care providers in the community, few are proficient in the languages and cultures of the patients KPHC serves.

Poverty, language/cultural barriers, low health literacy and scarcity of health care providers willing and able to serve the target population are significant factors impacting access to care in the target population.

Poverty is a serious barrier. Patients report they did not come for their scheduled visit because they had no money. Even when KPHC emphasizes that services are provided regardless of the patients' ability to pay, patients are hesitant because they cannot pay for specialty care or hospitalization. Often patients' conditions worsen because they cannot afford to fill their prescriptions.

Our service area includes the highest concentration of densely populated public housing and tax-subsidized low-income rental units in Hawaii.

Multiple ethnicities and languages cause social isolation. Word of mouth plays a significant role in sharing information among the poor and disenfranchised. KPHC has observed that often there is no interaction among neighbors of different ethnicities, so people are cut off from a critical source of information.

Besides being short of capacity for the services that are provided, there is a great need for additional services for diabetes, hypertension, kidney disease, obesity, cancer, asthma, tuberculosis, oral disease, behavioral health and low birth weight. Many of KPHC's patients suffer from two or more of these conditions.

Of the 20,796 patients served 1,294 patients are homeless.

5. Describe the geographic coverage  
Kalihi-Palama Health Center (KPHC) is located in the heart of Kalihi-Palama, with satellite facilities in Downtown/Chinatown and homeless clinic in Iwilei Punawai Clinic. The area is densely populated, multiple ethnicities, multiple language, poor, urban, inner-city community of Honolulu, Hawaii. The area also has a high percentage of unemployed and uninsured citizens. It includes Census Tracts 51 thru 60 and the contiguous areas. The area is designated as a Medically Underserved Population (MUP) and a Medical, Mental Health, and Dental Health Professional Shortage Area (HPSA) by Health Resources and Service Administration (HRSA).

It is important to note that our linguistic and cultural proficiency draws patients from all over Oahu. About 60% of the patients served at KPHC reside outside of our geographic service area.

### **III. Service Summary and Outcomes**

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

1. Describe the scope of work, tasks and responsibilities;  
Kalihi-Palama Health Center is proposing a Capitol Improvement Project for our 915 North King Street site. The project will include , dental chairs and x-ray machine, redo 2 public and 2 staff bathrooms, new alarm system interior replacement of 2 air conditioning units and interior painting. The renovations will promote a positive patient and staff experience at our 30-year-old main site.

The proposal will include the RFP process, permitting and planning, time table Project completion and deliverables of the project. KPHC will be responsible ensuring the project get completed in working with contractor and other vendors and suppliers.

The work will also include staff and patients being temporarily assigned to a Different site while the project is being performed.

2. Provide a projected annual timeline for accomplishing the results or outcomes of the service;  
We project the project will take approximately 1 ½ years to complete due to current permit timelines.
  1. Approximately 1 year for permit
  2. Construction to take approximately one month from start of permit
  3. Painting to occur 1 week period.
  4. Bathroom renovation 1-2 weeks.
  5. Air Conditioning 2 Weeks.
  6. Alarm 1 Week.
  7. Dental equipment 1 week

Some of the work will be done simultaneously, the added timeframe is to plan for unknowns, supply and workforce possibilities.

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

We intend to meet with the contractor weekly to ensure a timely process.

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the

measure(s) of effectiveness will need to be updated and transmitted to the expending agency.

Upon final inspection of project and project completion.

#### **IV. Financial**

##### **Budget**

1. The applicant shall submit a budget utilizing the enclosed budget forms as applicable, to detail the cost of the request.
  - a. Budget request by source of funds ([Link](#))
  - b. Personnel salaries and wages ([Link](#))
  - c. Equipment and motor vehicles ([Link](#))
  - d. Capital project details ([Link](#))
  - e. Government contracts, grants, and grants in aid ([Link](#))
  
2. The applicant shall provide its anticipated quarterly funding requests for the fiscal year 2025.

Quarter 1	Quarter 2	Quarter 3	Quarter 4	Total Grant
87,500	87,500	87,500	87,500	350,000

3. The applicant shall provide a listing of all other sources of funding that they are seeking for fiscal year 2025.  
This is the only request Kalihi-Palama Health Center will be requesting.
  
4. The applicant shall provide a listing of all state and federal tax credits it has been granted within the prior three years. Additionally, the applicant shall provide a listing of all state and federal tax credits they have applied for or anticipate applying for pertaining to any capital project, if applicable.  
Not Applicable
  
5. The applicant shall provide a listing of all federal, state, and county government contracts, grants, and grants in aid it has been granted within the prior three years and will be receiving for fiscal year 2025 for program funding.  
Please see attached page 10
  
6. The applicant shall provide the balance of its unrestricted current assets as of December 31, 2023. Current unrestricted assets as of 12/31/2023 are \$8,445,346.38

#### **V. Experience and Capability**

##### **1. Necessary Skills and Experience**

The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.

Kalihi Palama Health Center (KPHC) was founded by historic Kaumakapili Church as Hale Ho'ola Hou – House of New Life – because of community concern over the health of its poverty-stricken residents. In 1975 KPHC was incorporated as an independent 501(c)(3) non-profit organization bearing its current legal name of Kalihi Palama Health Center.

KPHC provides primary care and social services to those who are “in-need.” KPHC is distinguished by providing language and culturally appropriate care to those who face significant barriers to accessing such care. KPHC is located in what is considered to be Honolulu, Hawaii’s inner city with a satellite clinic in Downtown/Chinatown. The Kalihi Palama area is a densely populated poor, urban community of Honolulu that has the highest concentration of public housing and low-income rental units in Hawaii as well as the largest homeless shelter in the state

Last year per our Uniform Data System or (UDS) Kalihi-Palama Health Center saw 20,796 patients in 104,415 visits. This does not include our WIC visits. We provide these services to people regardless of ability to pay. These services are provided to 17 distinct languages and cultures from all over the island which is the characteristic that makes Kalihi-Palama Health Center unique.

Diabetes, cardiovascular and chronic kidney disease, cancer, and asthma health are among the major health care needs for KPHC’s patient population. In addition, there are challenges that accompany poverty, illiteracy, health illiteracy, language, and culture differences, and what patients consider to be an “alien” health care and social services delivery system, create overwhelming barriers to health and social services for KPHC’s patients. These are significant contributing factors to poor health and account for a large number of poverty-stricken residents who because of these barriers find themselves among the homeless ranks.

KPHC’s mission is to provide quality, integrated health and social services to its community and all others in need of health care. The organizational focus is on preventative and primary health care, provided in a respectful, caring, and culturally sensitive environment.

KPHC’s Healthcare for the Homeless Program is one of the most comprehensive in the State. It is comprised of outreach services for those who are literally homeless living on the streets, in parks and empty buildings; housing for the homeless disabled; walk-in health clinics at homeless shelters for men and women; and respite care for homeless who are discharged but do not have a place to recover from hospitalization. Recently KPHC opened Punawai Clinic which provides Primary Care to the Homeless. In addition we have built our 89 South King Street KPHC Downtown, 952 King Street S and our 710 North King Street sites.

## **2. Facilities**

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.

Kalihi-Palama Health Center (KPHC) has 9 sites total. Our sites where we provide clinical services which include medical, dental and behavioral health services are 915 N. King Street, 952 N. King Street, 710 N. King Street and 89 S. King Street. Dojo has administration and Optometry/Social Services, Kohou has Healthcare for the Homeless and we have 2 homeless clinics one located at the IHS Women and Children's shelter the other which opened in January Punawai Clinic and we have our administration at our Austin Lane site. KPHC has long term leases at all of the sites except for 952 which KPHC owns the land.

Our 915 North King Street site is the site we will be requesting assistance for. The site was the first since moving from Kaumakapili Church and served as the main site for KPHC. We recently renewed our long-term lease to May 9, 2082. The building an in 1994 and celebrates its 30 years in operation. The site houses our Patient Records, Referrals, Pediatrics, Women and Adult medical teams, Behavioral Health, Dental, Nutrition, Community Health Workers, EligibilityWorkers and our Patient Services. The building serves as a place where people work, health and remain healthy. Our dental department sees many for dental emergencies, our medical staff provide primary care and our behavioral health provides therapy and consultation. Our Community Health Workers provide the link between provider and patient in a culturally appropriate manner.

The building has several roof leaks and is in need of a new roof, bathroom floor, toilets, sink which wee have 2 for patients and 2 for staff need to be redone. Our dental department is in need of 2 dental chairs with the units and a panorex x-ray machine.

## **VI. Personnel: Project Organization and Staffing**

### **1. Proposed Staffing, Staff Qualifications, Supervision and Training**

The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.

The proposed project will be for our 915 North King Street site. The proposal will include the following:

1. Refloor, retile and change our bathroom fixtures. There are 2 general patient bathrooms and 2 staff bathrooms
2. 2 Dental Chairs and Panorex x-ray machine
3. New building alarm
4. 5. Painting interior
5. 6. 2 Air Conditioning Units.

KPHC has done capital projects in the past which includes building of our 952 N. King Street, 89 South King Street and recently 710 North King Street Phase I and II. We intend to place an RFP for contractors to bid on the work and obtain at least 3 bids. We will pick the company with the best qualifications and can meet our budget allocation. We will work with the contractors and timeline and deliverables.

## **2. Organization Chart**

The applicant shall illustrate the position of each staff and line of responsibility/supervision. If the request is part of a large, multi-purpose organization, include an organization chart that illustrates the placement of this request.

Please see Attachment

## **3. Compensation**

The applicant shall provide an annual salary range paid by the applicant to the three highest paid officers, directors, or employees of the organization by position title, not employee name.

CEO \$203,000-\$305,000  
Medical Doctor \$200,000-\$255,000  
Psychiatrist \$200,000-\$250,000

## **VII. Other**

### **1. Litigation**

The applicant shall disclose any pending litigation to which they are a party, including the disclosure of any outstanding judgement. If applicable, please explain.

None

### **2. Licensure or Accreditation**

The applicant shall specify any special qualifications, including but not limited to licensure or accreditation that the applicant possesses relevant to this request.

We are accredited by the Commission on Accreditation of Rehabilitation Facilities we have obtained for Behavioral Health and Case Management Services. We have achieved the highest level of 3 years, All of our medical sites which 915 North King Street is, National Committee for Quality Assurance (NCQA) and Patient Centered Medical Home (PCMH).

### **3. Private Educational Institutions**

The applicant shall specify whether the grant will be used to support or benefit a sectarian or non-sectarian private educational institution. Please see Article X, Section 1, of the State Constitution for the relevance of this question.

Not Applicable

### **4. Future Sustainability Plan**

The applicant shall provide a plan for sustaining after fiscal year 2024-25 the activity funded by the grant if the grant of this application is:

With the proposed renovations it will allow KPHC to continue to provide Primary Medical Care, Dental, Behavioral Health, Nutrition and Social Services to the patients at our main site. This will allow patients to feel they are in a facility that truly cares about their experience. Not a clinic for the poor but a clinic that provides services to all from all different walks of life.

It will allow us to keep our workforce. The updated work environment will boost the morale of the staff. They can consider this a true Health and Healing Home which is one of the four Pillars of KPHC's Strategic Plan.

We will sustain the organization from the third party billings we will be receiving from the patients who seek services at the site. It will enhance our ability to see patients during rain rather than closing down office space and exam rooms. This will increase our productivity.

Since the project is a Capitol request the project will maintain the facility by KPHC which our maintenance schedule, maintenance contracts, warranties and KPHC cleaning vendors and KPHC internal facilities department.

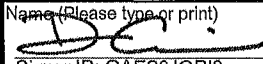

- (a) Received by the applicant for fiscal year 2024-25, but
- (b) Not received by the applicant thereafter.
