THIRTY-THIRD LEGISLATURE, 2025
STATE OF HAWAII

ACT 195
H.B. NO. 650
H.D. 1
S.D. 1
C.D. 1

A BILL FOR AN ACT

RELATING TO SEA SALT PRODUCTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the popularity of
2 Hawaii-made sea salt products is on the rise. Sea salt products
3 colored with Hawaiian charcoal, volcanic clay, and other natural
4 ingredients help to promote the State's businesses.

5 The legislature further finds that incorporating the United
6 States Food and Drug Administration's industry guidance on the
7 use of color additives in sea salt products should be a state
8 priority. The guidance indicates that sea salt manufacturers
9 who intend to use color additives that are not currently
10 approved for food use should first obtain approval through the
11 United States Food and Drug Administration's color additive
12 petition process.

13 Accordingly, the purpose of this Act is to ensure the
14 continued viability of the State's sea salt manufacturing
15 industry by appropriating funds to provide education and support
16 to local businesses regarding the United States Food and Drug
17 Administration's guidance on colored sea salt.

1 SECTION 2. There is appropriated out of the general
2 revenues of the State of Hawaii the sum of \$300,000 or so much
3 thereof as may be necessary for fiscal year 2025-2026 for
4 providing education and support to local businesses regarding
5 the United States Food and Drug Administration's guidance on
6 colored sea salt.

7 The sum appropriated shall be expended by the department of
8 business, economic development, and tourism for the purposes of
9 this Act.

10 SECTION 3. This Act shall take effect on July 1, 2025.
