# A BILL FOR AN ACT

RELATING TO FUNDING ADJUSTMENTS FOR STATE PROGRAMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

PART I

SECTION 1. This Act is recommended by the governor for immediate passage in accordance with section 9 of article VII of the Constitution of the State of Hawaii.

SECTION 2. In prior years, the respective budget acts contained budget special provisions similar to sections 50, 51, 72, and 81 of Act 88, Session Laws of Hawaii 2021, the General Appropriations Act of 2021, which permitted departments to transfer funds between their projects; permitted departments to transfer funds between their programs, provided that the legislature was informed of the transfers; and established a protocol fund as a separate account to be expended at the discretion of the executive head of departments or agencies. However, Act 164, Session Laws of Hawaii 2023, the General Appropriations Act of 2023, (Act 164), as amended by Act 230, Session Laws of Hawaii 2024, the Supplemental Appropriations Act of 2024, does not include the special provisions. Consequently,

1 although funds were appropriated to various state departments  
2 for their capital improvement program projects for fiscal  
3 biennium 2023-2025, the omission of the special provisions has  
4 caused operational limitations by limiting the ability of  
5 departments to supplement allotments and transfer funds between  
6 projects to address changing conditions.

7 PART II

8 SECTION 3. The purpose of this part is to address the  
9 omission of the special provisions that authorize supplemental  
10 allotments and transfer of unrequired balances for capital  
11 improvement program projects and that also establish a protocol  
12 fund as a separate account to be expended at the discretion of  
13 the executive head of departments in Act 164.

14 SECTION 4. Part VII of Act 164, Session Laws of Hawaii  
15 2023, as amended by Act 230, Session Laws of Hawaii 2024, is  
16 amended by adding a new section to read as follows:

17 "SECTION 15.2. If the authorized appropriations specified  
18 for capital improvement projects listed in this Act are  
19 insufficient and where the source of funding is designated as  
20 special funds, general obligation bond fund with debt service  
21 cost to be paid from special funds, revenue bond funds, or

1 revolving funds, the governor may make supplemental allotments  
2 from the special fund or revolving fund responsible for cash or  
3 debt service payments for the projects or transfer unrequired  
4 balances from other unlapsed projects in this Act or prior  
5 appropriation acts that authorized the use of special funds,  
6 general obligation bond fund with debt service costs to be paid  
7 from special funds, revenue bond funds, or revolving funds;  
8 provided that the supplemental allotments shall not be used to  
9 increase the scope of the project; provided further that the  
10 supplemental allotments shall not impair the ability of the fund  
11 to meet the purposes for which it was established."

12 SECTION 5. Part VII of Act 164, Session Laws of Hawaii  
13 2023, as amended by Act 230, Session Laws of Hawaii 2024, is  
14 amended by adding a new section to read as follows:

15 "SECTION 15.3. If the authorized appropriations specified  
16 for capital improvement projects listed in this Act are  
17 insufficient and where the source of funding is designated as  
18 airport passenger facility charge funds, the governor may make  
19 supplemental allotments from the airport revenue fund or airport  
20 revenue bond funds, or transfer unrequired balances from other  
21 unlapsed projects in this Act or prior appropriation acts that

1 authorized the use of airport passenger facility charge funds;  
2 provided that the supplemental allotments shall not be used to  
3 increase the scope of the project; provided further that the  
4 supplemental allotments shall not impair the ability of the fund  
5 to meet the purposes for which it was established; provided  
6 further that the governor, at the governor's discretion, may  
7 increase the passenger facility charge fund authorization  
8 ceiling for the program to accommodate the expenditure of the  
9 funds."

10 SECTION 6. Part VII of Act 164, Session Laws of Hawaii  
11 2023, as amended by Act 230, Session Laws of Hawaii 2024, is  
12 amended by adding a new section to read as follows:

13 "SECTION 15.4. Of the respective operating appropriation  
14 authorized in part II of this Act for each principal state  
15 department as defined by section 26-4, Hawaii Revised Statutes,  
16 the sum of \$7,000 in fiscal year 2024-2025 shall be made  
17 available in each department to be established as a separate  
18 account for a protocol fund to be expended at the discretion of  
19 the executive head of the department (i.e., director,  
20 chairperson, comptroller, adjutant general, superintendent,  
21 president, or attorney general)."

## PART III

SECTION 7. The purpose of this part is to address the omission of the transfer proviso by appropriating additional general funds as emergency appropriations for fiscal year 2024-2025 for operating shortfalls in quarter 4 funding for existing programs and to adjust funding for various programs to be commensurate with their anticipated levels of activity. The emergency appropriations and the funding adjustments made in this part are budget neutral.

SECTION 8. Act 164, Session Laws of Hawaii 2023, as amended by Act 230, Session Laws of Hawaii 2024, is amended by amending section 3, item I.4 to read as follows:

"4. PSD405 - HAWAII COMMUNITY CORRECTIONAL CENTER:

## PART V

8           SECTION 13. If any portion of this Act or its application  
9 to any person, entity, or circumstance is held to be invalid for
