# A BILL FOR AN ACT

RELATING TO LABELING.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 321, Hawaii Revised Statutes, is  
2 amended by adding a new part to be appropriately designated and  
3 to read as follows:

4                   **"PART       .    LABELING OF NON-FLUSHABLE PRODUCTS**

5           **§321-       Definitions.** As used in this part:

6           "Agency" means the United States Environmental Protection  
7 Agency.

8           "Covered product" means:

9           (1) A premoistened nonwoven disposable wipe marketed as a  
10           baby or diapering wipe; or

11           (2) A premoistened nonwoven disposable wipe that is:

12                   (A) Composed entirely or in part of

13                               petrochemical-derived fibers; and

14                   (B) Is likely to be used in a bathroom and has

15                               significant potential to be flushed, including:

16                               (i) Adult hygiene wipes;

17                               (ii) Adult incontinence wipes;

- 1 (iii) Antibacterial wipes;
- 2 (iv) Bathroom cleaning wipes;
- 3 (v) Body cleansing wipes;
- 4 (vi) Disinfecting wipes;
- 5 (vii) Facial and makeup removal wipes;
- 6 (viii) Feminine hygiene wipes;
- 7 (ix) General purpose cleaning wipes;
- 8 (x) Hand sanitizing wipes;
- 9 (xi) Hard surface cleaning wipes;
- 10 (xii) Personal care wipes for use on the body; and
- 11 (xiii) Toilet cleaning wipes.

12 "Department" means department of health.

13 "Label notice" means the phrase "DO NOT FLUSH" in a size  
14 equal to no less than two per cent of the surface area of the  
15 principal display panel.

16 "Principal display panel" means the side of a product  
17 package that is most likely to be displayed, presented, or shown  
18 under customary display conditions for retail sales. "Principal  
19 display panel" includes the following:

- 20 (1) In the case of a cylindrical or nearly cylindrical  
21 package, the surface area of the principal display

1 panel contributes forty per cent of the product  
2 package, as measured by multiplying the height of the  
3 container by the circumference; and

4 (2) In the case of a flexible film package, in which a  
5 rectangular prism or nearly rectangular prism stack of  
6 wipes is housed within the film, the surface area of  
7 the principal display panel constitutes the length  
8 multiplied by the width of the side of the package  
9 when the flexible packaging film is pressed flat  
10 against the stack of wipes on all sides of the stack.

11 "Symbol" means the "DO NOT FLUSH" symbol as depicted in the  
12 INDA/EDANA Code of Practice Second Edition and published in the  
13 "Guidelines for Assessing the Flushability of Disposable  
14 Nonwoven Products, Edition 4, May 2018".

15 **§321- Labeling requirement.** (a) Except as otherwise  
16 provided in paragraph (4), a covered product sold, offered for  
17 sale, or distributed for sale in this State shall include the  
18 following labels prominently displayed in a conspicuous location  
19 that is reasonably viewable each time a covered product is  
20 dispensed:

21 (1) If the package is cylindrical or near cylindrical:

- 1 (A) The symbol and label notice shall be placed on  
2 the principal display panel; or
- 3 (B) The symbol shall be placed on the principal  
4 display panel, and the symbol or label notice, or  
5 both, shall be placed on the flip lid, covering  
6 no less than eight per cent of the surface of the  
7 flip lid, and may be embossed;
- 8 (2) If the package is a flexible film package, the symbol  
9 shall be placed on the principal display panel and the  
10 dispensing side panel. The label notice shall be  
11 placed on the principal display panel, the dispensing  
12 side panel, or both;
- 13 (3) If the package is a refillable tub or other rigid  
14 packaging intended to be reused, the symbol and label  
15 notice shall be placed on the principal display panel;  
16 and
- 17 (4) If the packaging is not subject to the requirements  
18 described in paragraph (1), (2), or (3), the symbol  
19 and label notice shall be placed on the principal  
20 display panel.

1 (b) The labels described in subsection (a) (1) and (3),  
2 shall comply with the following:

3 (1) No seams, fold, or other package design elements shall  
4 obscure the symbol or label notice;

5 (2) The symbol and label notice shall appear in sharp  
6 contrast to the background; and

7 (3) The symbol shall be sized no less than two per cent of  
8 the surface area of the principal display panel.

9 (c) If a covered product is sold, offered for sale, or  
10 distributed for sale in bulk packaging, the label on each  
11 individual package of covered products and the outer bulk  
12 packaging shall comply with the requirements of this section, as  
13 applicable; provided that nothing in this subsection shall apply  
14 to:

15 (1) An individual package of covered products contained  
16 within the outer bulk packaging that is not intended  
17 to dispense individual wipes and contains no retail  
18 labeling;

19 (2) Outer bulk packaging that does not obscure the symbol  
20 and label notice on the individual packages of covered  
21 products; and

1           (3) The outer packaging or outer bulk packaging of  
2           consumer products not covered by this section that are  
3           sold, offered for sale, or distributed for sale in  
4           combination with a covered product; provided that the  
5           symbol and label notice shall be placed on the covered  
6           product in a conspicuous location that is reasonably  
7           viewable if the packaging of the combination product  
8           is smaller than three inches by three inches.

9           (d) No covered products sold, offered for sale, or  
10          distributed for sale in this State shall make any representation  
11          that a covered product is flushable, including through the use  
12          of a product name, endorsement, depiction, illustration,  
13          trademark, or trade name.

14          (e) The label requirements provided in this section shall  
15          apply to covered products that are regulated pursuant to, and to  
16          the extent any label requirements do not conflict with:

17           (1) The Federal Hazardous Substances Act, title 15 United  
18           States Code sections 1261 to 1278; and

19           (2) The Federal Insecticide, Fungicide, and Rodenticide  
20           Act, title 7 United States Code sections 136 to 136y.

1 (f) No later than January 1, 2026, the manufacturer of a  
2 covered product required to be registered with the agency  
3 pursuant to the Federal Insecticide, Fungicide, and Rodenticide  
4 Act, title 7 United States Code sections 136 to 136y, shall  
5 submit a copy of a symbol and label notice pursuant to this  
6 section, to the agency. Upon approval of the symbol and label  
7 notice by the agency, the manufacturer of the covered product  
8 shall submit a copy of the approved symbol and label notice to  
9 the department and begin using the approved symbol and label  
10 notice or portion thereof. If the agency does not approve the  
11 symbol and label notice, the manufacturer of the covered product  
12 shall use the symbol and label notice that the agency previously  
13 approved until the agency approves a new symbol and label  
14 notice. A symbol and label notice approved under this  
15 subsection shall be in use within six months after the agency  
16 approves the symbol and label notice."

17 SECTION 2. This Act does not affect rights and duties that  
18 matured, penalties that were incurred, and proceedings that were  
19 begun before its effective date.

20 SECTION 3. This Act shall take effect on July 1, 3000.

**Report Title:**

Labeling Requirements; Do Not Flush; Premoistened Nonwoven Disposable Wipes; Consumer Protection; Waste; Environmental Protection

**Description:**

Establishes labeling requirements for certain premoistened nonwoven disposable wipes. Effective 7/1/3000. (HD2)
