A BILL FOR AN ACT

RELATING TO LIQUOR LICENSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that patrons leaving a
2 liquor establishment can adversely affect neighboring residents
3 and users of nearby public facilities. The legislature enacted
4 section 281-39.5, Hawaii Revised Statutes, which allows for the
5 denial or restriction of liquor licenses for certain
6 establishments near schools or parks, to promote an environment
7 in which alcohol imbibing patrons do not interfere with minors
8 or other residents. The legislature further finds that
9 section 281-39.5, Hawaii Revised Statutes, currently applies
10 only to the issuance of new liquor licenses, but not the renewal
11 of current licenses, thus creating a safe harbor for existing
12 establishments seeking a renewal of their liquor license.
13 Although registered voters within five hundred feet of a liquor
14 establishment may not be inclined to protest the initial
15 issuance of a liquor license, they may wish to do so when the
16 license becomes subject to renewal and they have learned more
17 about the establishment.
