A BILL FOR AN ACT

RELATING TO THE UNIVERSITY OF HAWAII RESIDENT TUITION FEE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that facilitating
2 postsecondary education and training for all interested high
3 school graduates is a matter of statewide concern.
4 Postsecondary options assist graduates by preparing them for
5 jobs and career pathways that typically pay higher wages, which
6 enables them to achieve their educational and career goals and
7 afford the State's high cost of living. Increased enrollment
8 and completion of postsecondary education and training will
9 increase the State's human capital.

10 The university of Hawaii amended its administrative rules
11 to streamline the enrollment process for all applicants for
12 admission into the university of Hawaii system; however, the
13 current statutory requirements regarding residency for tuition
14 purposes pose challenges for some local graduating high school
15 seniors or recent graduates. Specifically, some students
16 experiencing homelessness have difficulty providing evidence of
17 bona fide residency as required by statute, and students who
18 have complex family situations may be incorrectly considered

1 nonresidents. The legislature further finds that recognizing
2 local high school graduates as residents to qualify for resident
3 tuition fees would facilitate the enrollment of these students
4 at one of the university of Hawaii's campuses.

5 Accordingly, the purpose of this Act is to simplify the
6 residency determination for the State's high school graduates to
7 enroll in postsecondary education and training at the university
8 of Hawaii by considering graduates of the State's high schools
9 to be residents for tuition purposes.

10 SECTION 2. Section 304A-402, Hawaii Revised Statutes, is
11 amended to read as follows:

12 "[~~§~~304A-402[~~§~~] **Residence for tuition purposes; basic**
13 **rule.** The board of regents shall adopt the necessary rules
14 defining residence for tuition purposes herein; provided that
15 the basic rule shall be that a student shall qualify for the
16 resident tuition fee only if the following criteria are met:

17 (1) The adult student, or in the case of a minor student,
18 the student's parents or guardians, has or have been a
19 bona fide resident of this State for at least twelve
20 consecutive months next preceding the student's first
21 day of officially scheduled instruction for any

1 semester or term in which the student is enrolling at
2 the particular college or campus; and

3 (2) The adult or minor student has not been claimed as a
4 dependent for tax purposes for at least twelve months
5 next preceding the student's first day of officially
6 scheduled instruction for any semester or term in
7 which the student is enrolling at the particular
8 college or campus by the student's parents or
9 guardians who are nonresidents of the State; provided
10 that this provision shall not apply in cases where the
11 parent claiming the student as a dependent is entitled
12 to do so under a child support order or agreement
13 issued or entered into in conjunction with a divorce
14 proceeding or legal separation agreement and the other
15 parent and the student meet the criteria set forth in
16 paragraph (1) [-]; or

17 (3) The adult or minor student:
18 (A) Graduated from a high school in the State within
19 four years preceding the student's first day of
20 officially scheduled instruction for any semester
21 or term in which the student is enrolling at the
22 particular college or campus; and

1 (B) Will enroll in an undergraduate degree program."

2 SECTION 3. Statutory material to be repealed is bracketed
3 and stricken. New statutory material is underscored.

4 SECTION 4. This Act shall take effect upon its approval.

JUSTIFICATION SHEET

SB. NO. 1489

DEPARTMENT: University of Hawaii

TITLE: A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII RESIDENT TUITION FEE.

PURPOSE: To require the University of Hawaii (UH) to grant the resident tuition fee for enrollment at any UH campus to individuals who have graduated from a Hawaii high school and are enrolling in an undergraduate degree program, under certain conditions.

MEANS: Amend section 304A-402, Hawaii Revised Statutes.

JUSTIFICATION: The UH amended its administrative rules to streamline the enrollment process for all applicants for admission into the UH system; however, the current statutory requirements regarding residency for tuition purposes pose challenges for some graduating high school seniors or recent graduates. Specifically, some students experiencing homelessness have difficulty providing evidence of bona fide residency, and students who have complex family situations may be incorrectly considered nonresidents.

This bill will simplify the residency determination for the State's high school graduates to enroll in postsecondary education and training at the UH by considering soon-to-be and recent graduates of local high schools to be residents for tuition purposes.

Impact on the public: The UH anticipates that more local high school graduates would complete UH admissions applications at both community colleges and baccalaureate campuses due to a streamlined residency evaluation in the admissions application. Also, UH anticipates that more local applicants are likely to enroll if they are

determined to be residents when they are accepted.

Impact on the department and other agencies:
The UH will need to revise its process for residency determination. The UH and the Department of Education will need to change their communication with high school students.
