# A BILL FOR AN ACT

RELATING TO AGRICULTURE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that many of Hawaii's  
2 farmers and ranchers are finding difficulty in securing the  
3 financial support necessary to build a thriving, vibrant  
4 business. Various sources of funding, including grants provided  
5 by the United States Department of Agriculture, the State,  
6 counties, and private entities, are available for farmers and  
7 ranchers. Access to grants from the United States Department of  
8 Agriculture and other sources can increase production capacity,  
9 provide new business opportunities, and increase employment  
10 opportunities within the State's agricultural industry.

11           The legislature further finds that farmers and ranchers  
12 applying for grants may have to complete an application process  
13 that is sometimes complex. Without specific technical expertise  
14 in grant writing, many farmers and ranchers may be deterred from  
15 applying for those grants. Well-trained and skilled grant  
16 specialists would be able to assist farmers and ranchers in  
17 obtaining and fulfilling the requirements of grants.

1           Accordingly, the purpose of this Act is to establish grant  
 2 specialist positions within the department of agriculture to  
 3 assist farmers and ranchers in applying for, obtaining, and  
 4 fulfilling the requirements of grants offered by the United  
 5 States Department of Agriculture, the State, counties, or  
 6 private entities.

7           SECTION 2. There is appropriated out of the general  
 8 revenues of the State of Hawaii the sum of \$                    or so  
 9 much thereof as may be necessary for fiscal year 2025-2026 and  
 10 the same sum or so much thereof as may be necessary for fiscal  
 11 year 2026-2027 for the establishment of three full-time  
 12 equivalent (3.0 FTE) grant specialist positions within the  
 13 department of agriculture to assist farmers and ranchers in  
 14 applying for, obtaining, and fulfilling the requirements of  
 15 grants offered by the United States Department of Agriculture,  
 16 the State, counties, or private entities; provided that the  
 17 grant specialist positions shall prioritize assisting farmers  
 18 and ranchers who produce local food that is at least partly  
 19 consumed within the State.

20           The sums appropriated shall be expended by the department  
 21 of agriculture for the purposes of this Act.

**1** SECTION 3. This Act shall take effect on July 1, 2050.

**Report Title:**

DOA; Grant Specialist Positions; Appropriations

**Description:**

Appropriates funds to establish grant specialist positions within the Department of Agriculture. Effective 7/1/2050.  
(SD1)
