RE: H.B. No. 428
H.D. 1
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Sir:

Your Committee on Agriculture and Environment, to which was referred H.B. No. 428, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO FARM TO FAMILIES,"

begs leave to report as follows:

The purpose and intent of this measure is to:

- (1) Establish the Hawaii Farm to Families Program to alleviate food shortages in the State;
- (2) Require reports to the Legislature before the Regular Sessions of 2026 and 2027; and
- (3) Appropriate funds.

Your Committee finds that farm-to-food bank programs are essential to bridging the gap between local farmers and food insecure families in the State. The program proposed in this measure seeks to relieve food shortages by providing funds to food banks to purchase, store, and transport food that is grown, raised, and harvested in the State to food insecure communities. Your Committee recognizes that this measure is necessary more than ever to address food insecurity in the State, especially given the rising costs of food and the recent recission of potential federal funding for local food assistance programs. This measure aims to strengthen food supply chains, empower local farmers, and improve local access to nutritious food.

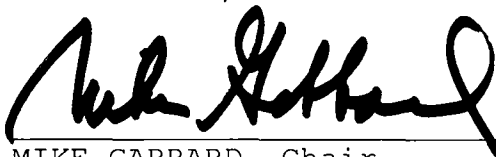

Your Committee has amended this measure by:

- (1) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Your Committee notes that this measure contains an unspecified appropriation amount. Should your Committee on Ways and Means choose to deliberate on this measure, your Committee respectfully requests that it consider inserting an appropriation amount of \$2,000,000 for the Hawaii Farm to Families Program.

As affirmed by the record of votes of the members of your Committee on Agriculture and Environment that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 428, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 428, H.D. 1, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Agriculture and
Environment,

MIKE GABBARD, Chair

The Senate
Thirty-Third Legislature
State of Hawai'i
