

STAND. COM. REP. NO.

576

Honolulu, Hawaii

RE: H.B. No. 799

H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Health, to which was referred H.B. No. 799
entitled:

"A BILL FOR AN ACT RELATING TO HEALTH CARE,"

begs leave to report as follows:

The purpose of this measure is to support the provision of
care by clarifying certain provisions relating to physician
practices at organized ambulatory health care facilities.

Your Committee received testimony in support of this measure
from the Hawai'i Association of Professional Nurses; Community
First Hawaii; Hawaii Medical Service Association; Aloha Surgical
Center; and one individual. Your Committee received testimony in
opposition to this measure from one individual. Your Committee
received comments on this measure from Healthcare Association of
Hawaii and Hawaii Association of Health Plans.

Your Committee finds that the State continues to experience a
significant health care worker shortage, particularly on the
neighbor islands. Your Committee further finds that some Oahu-
based physicians schedule rotations on the neighbor islands to
coordinate care, address gaps in needed services, and reduce the
need for neighbor island residents to travel to receive care.
This care is often provided in out-patient settings at organized
ambulatory health care facilities, which allow providers from

2025-1814 HB799 HD1 HSCR HMSO

other areas to provide health care services to medically underserved residents. Your Committee believes that clarifying the requirements for physicians providing services at these facilities, particularly with respect to hospital privileges and patient transfers, will ensure patients on the neighbor islands receive timely access to health care.

Your Committee has amended this measure by:

- (1) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 799, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 799, H.D. 1, and be referred to your Committee on Consumer Protection & Commerce.

Respectfully submitted on
behalf of the members of the
Committee on Health,

GREGG TARAYAMA, Chair

State of Hawaii
House of Representatives
The Thirty-third Legislature
