RE: H.B. No. 867
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Water & Land, to which was referred H.B.
No. 867 entitled:

"A BILL FOR AN ACT RELATING TO RECREATIONAL FACILITIES,"

begs leave to report as follows:

The purpose of this measure is to enhance the inclusion of
physically disabled youth in important socialization activities
by:

- (1) Requiring by June 30, 2027, all playgrounds located in
state parks and on public school grounds to have a
minimal set of special needs recreational playground
equipment, including a wheelchair accessible swing set;
and
- (2) Appropriating funds to the Department of Land and
Natural Resources and Department of Education to
purchase and install special needs recreational
playground equipment.

Your Committee received testimony in support of this measure
from the Hawai'i State Council on Developmental Disabilities;
Hawaii Disability Rights Center; Hawaii Self-Advocacy Advisory
Council; and two individuals. Your Committee received comments on
this measure from the Department of Budget and Finance; Department

2025-1383 HB867 HD1 HSCR HMSO-1

of Education; Department of Land and Natural Resources' Division of State Parks; and Disability and Communication Access Board.

Your Committee finds that accessible recreational spaces are essential for the physical, social, and emotional development of all children, including those with disabilities. Currently, many state parks and public school playgrounds lack equipment that accommodates physically disabled youth, limiting their ability to engage in play, interact with peers, and participate fully in their communities. Ensuring that playgrounds include disability-compatible equipment will promote inclusivity and foster an environment where all children can enjoy recreation and socialization.

Your Committee has amended this measure by:

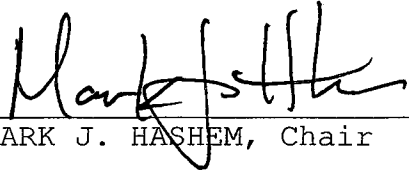

- (1) Beginning on June 30, 2030, requiring all new playgrounds constructed in state parks and public schools to include accessible recreational equipment, rather than requiring the installation of accessible recreational equipment in all playgrounds located in state parks and public schools by June 30, 2027;
- (2) Changing all references from "special needs recreational playground equipment" to "accessible recreational playground equipment";
- (3) Removing the requirement that playgrounds include a wheelchair accessible swing set;
- (4) Renaming the special fund created by this measure the "Accessible Recreational Playground Equipment Special Fund";
- (5) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Water & Land that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 867, as amended herein, and recommends that it pass Second Reading

in the form attached hereto as H.B. No. 867, H.D. 1, and be referred to your Committee on Education.

Respectfully submitted on
behalf of the members of the
Committee on Water & Land,

MARK J. HASHEM, Chair
