

STAND. COM. REP. NO.

1675

Honolulu, Hawaii

MAR 28

, 2025

RE: H.C.R. No. 58
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Energy & Environmental Protection, to which
was referred H.C.R. No. 58 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE HAWAII STATE
ENERGY OFFICE TO CONVENE A GEOTHERMAL ENERGY WORKING GROUP TO
EVALUATE THE REGULATORY AND POLICY LANDSCAPE SURROUNDING
GEOTHERMAL ENERGY IN HAWAII,"

begs leave to report as follows:

The purpose of this measure is to request the Hawaii State
Energy Office to convene a Geothermal Energy Working Group to
evaluate the regulatory and policy landscape surrounding
geothermal energy in Hawaii.

Your Committee received testimony in support of this measure
from the Department of Hawaiian Home Lands; Public Utilities
Commission; Coalition Earth; Life of the Land; Ulupono Initiative;
and seven individuals. Your Committee received testimony in
opposition to this measure from the Energy Justice Network;
Environmental Caucus of the Democratic Party of Hawai'i; and three
individuals. Your Committee received comments on this measure
from the Department of Commerce and Consumer Affairs and Hawaii
State Energy Office.

Your Committee finds that geothermal energy has the potential
to be a critical component of Hawaii's renewable energy portfolio.

2025-2760 HCR58 HD1 HSCR HMSO-1

However, regulatory uncertainty, permitting challenges, and land use restrictions have hindered its development. This measure convenes stakeholders to collaboratively assess the challenges and opportunities for geothermal expansion in the State.

Your Committee has amended this measure by:

- (1) Adding the Director of Commerce and Consumer Affairs and chairs of the Senate and House of Representatives standing committees with primary subject matter purview over energy to the Working Group;
- (2) Changing the deadline for the report to the Legislature; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Energy & Environmental Protection that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 58, as amended herein, and recommends that it be referred to your Committee on Consumer Protection & Commerce in the form attached hereto as H.C.R. No. 58, H.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Energy &
Environmental Protection,

NICOLE E. LOWEN, Chair

HSCR 1675
