

STAND. COM. REP. NO.

1879

Honolulu, Hawaii

APR 03 , 2025

RE: H.R. No. 182
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Health, to which was referred H.R. No. 182
entitled:

"HOUSE RESOLUTION DECLARING A PUBLIC HEALTH EMERGENCY
RELATING TO CLIMATE CHANGE AND REQUESTING STATEWIDE
COORDINATION TO IDENTIFY, PLAN FOR, AND CREATE CROSS-SECTOR
SOLUTIONS TO STRENGTHEN HAWAII'S PUBLIC HEALTH RESPONSE TO
THE CLIMATE CRISIS,"

begs leave to report as follows:

The purpose of this measure is to declare a public health
emergency relating to climate change and requesting statewide
coordination to identify, plan for, and create cross-sector
solutions to strengthen Hawaii's public health response to climate
crisis.

Your Committee received testimony in support of this measure
from the Department of Health; Life of the Land; Health Committee
of the Democratic Party of Hawai'i; Hawai'i Public Health
Association; Coalition Earth; 350Hawaii.org; Hawai'i Public Health
Institute; Hawaii Climate Change and Health Working Group; and
numerous individuals.

Your Committee finds that the effects of climate change, such
as increased heat, crop failures, food and water insecurity,
extreme weather events, vector-borne and waterborne diseases,

2025-3133 HR182 HD1 HSCR HMSO

seriously impact public health and constitute a public health emergency. Your Committee further finds that addressing the impacts of climate change on public health will require a multi-disciplinary approach and statewide coordination, commitment, and mobilization of resources between departments. This measure acknowledges the severity of the impacts climate change has on the health of Hawaii's people and calls on the various state departments to identify, plan for, and create cross-sector solutions to strengthen the State's public health response to the climate crisis.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 182, as amended herein, and recommends its adoption in the form attached hereto as H.R. No. 182, H.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Health,

GREG TAKAAMA, Chair

HSCR 1879
