

STAND. COM. REP. NO.

1883

Honolulu, Hawaii

APR 03 , 2025

RE: H.R. No. 27
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Energy & Environmental Protection, to which
was referred H.R. No. 27, H.D. 1, entitled:

"HOUSE RESOLUTION REQUESTING THE RECONVENING OF THE WORKING
GROUP ESTABLISHED PURSUANT TO HOUSE RESOLUTION NO. 18, H.D. 1
(REGULAR SESSION OF 2024) TO CONTINUE THE EFFORTS TO ADDRESS
ISSUES RELATED TO WATER AND AIR CONTAMINATION AND REMEDIATION
ARISING FROM THE OPERATION OF THE PUULOA RANGE TRAINING
FACILITY,"

begs leave to report as follows:

The purpose of this measure is to request the reconvening of
the working group established pursuant to House Resolution No. 18,
H.D. 1 (Regular Session of 2024) to continue the efforts to
address issues related to water and air contamination and
remediation arising from the operation of the Puuloa Range
Training Facility.

Your Committee received testimony in support of this measure
from the Department of Health; Sierra Club of Hawai'i; Green Party
of Hawai'i; Environmental Caucus of the Democratic Party of
Hawai'i; Conservation Council for Hawai'i; Small Business Alliance;
CountryTalkStory; We Are One, Inc.; and numerous individuals.

Your Committee finds that soil sampling conducted near the
Puuloa Range Training Facility, a shooting range used by the

2025-3118 HR27 HD1 HSCR HMSO

United States Marine Corps, identified high levels of lead contamination. Your Committee further finds that a working group that was convened to address the water and air contamination issues arising from the operation of the Puuloa Range Training Facility is set to cease operation on June 30, 2025. This measure ensures that the working group can continue its efforts to address the environmental issues related to the Puuloa Range Training Facility.

As affirmed by the record of votes of the members of your Committee on Energy & Environmental Protection that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 27, H.D. 1, and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Energy &
Environmental Protection,

for 
NICOLE E. LOWEN, Chair

MSR 1883
