

STAND. COM. REP. NO.

540

Honolulu, Hawaii

FEB 14 2025

RE: S.B. No. 1088

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Sir:

Your Committees on Energy and Intergovernmental Affairs and
Transportation and Culture and the Arts, to which was referred
S.B. No. 1088 entitled:

"A BILL FOR AN ACT RELATING TO ELECTRIC VEHICLE CHARGING
INFRASTRUCTURE,"

beg leave to report as follows:

The purpose and intent of this measure is to provide rebates
for the installation of eligible electric vehicle-ready parking
stalls for new construction of affordable housing.

Your Committees received testimony in support of this measure
from the Public Utilities Commission; Hawaii State Energy Office;
Office of Climate Change, Sustainability, and Resiliency of the
City and County of Honolulu; Office of Economic Development of the
County of Kaua'i; Hawaiian Electric; Ulupono Initiative;
350Hawaii.org; Hawaii Electric Vehicle Association; Coalition
Earth; Hawai'i Energy; Alliance for Automotive Innovation; and one
individual.

Your Committees find that the State's decarbonization and
emissions-reduction goals necessitate the rapid transition to
zero-emission vehicles that utilize local, renewable energy
sources. Your Committees also find that while there is growing
adoption of electric vehicles among Hawaii residents, the lack of
adequate vehicle charging infrastructure presents a barrier to
widespread adoption, particularly for low-income families who are

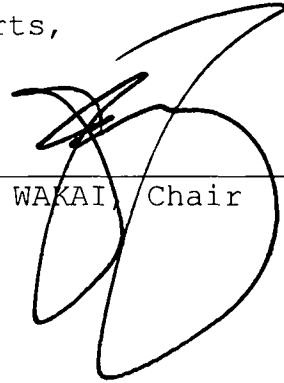

unable to access the savings and other benefits associated with electric vehicle ownership. Additionally, parking stalls for affordable housing units are not constructed to be electric vehicle-ready because of the added cost and certain exemptions. This measure provides incentives for electric vehicle-ready new construction for affordable housing, offering more equitable participation in the net-negative carbon economy and further assisting the State in meeting its decarbonization goals and other emissions-reduction commitments.

As affirmed by the records of votes of the members of your Committees on Energy and Intergovernmental Affairs and Transportation and Culture and the Arts that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 1088 and recommend that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Energy and
Intergovernmental Affairs and
Transportation and Culture and
the Arts,

CHRIS LEE, Chair

GLENN WAKAI, Chair
