

STAND. COM. REP. NO.

261

Honolulu, Hawaii

FEB 11 2025

RE: S.B. No. 1195  
S.D. 1

Honorable Ronald D. Kouchi  
President of the Senate  
Thirty-Third State Legislature  
Regular Session of 2025  
State of Hawaii

Sir:

Your Committee on Transportation and Culture and the Arts, to which was referred S.B. No. 1195 entitled:

"A BILL FOR AN ACT RELATING TO TRANSPORTATION,"

begs leave to report as follows:

The purpose and intent of this measure is to:

- (1) Establish buffer zones that ban street parking within certain distances of crosswalks under certain posted speed limits; and
- (2) Designate exemptions.

Your Committee received testimony in support of this measure from the Department of Transportation, Department of Health, Oahu Metropolitan Planning Department, Hawai'i Bicycling League, and one individual.

Your Committee finds that pedestrians, bicyclists, and other vulnerable roadway users are disproportionately impacted by traffic fatalities and injuries, in comparison to drivers of motor vehicles. Historical automobile-centric planning and development has created an increasingly unsafe and inaccessible environment for bicycle riders and pedestrians. By setting restrictions on street parking within certain distances of crosswalks, this

measure will allow both pedestrians and motorists greater visibility as they enter into, and drive through crosswalks.

Your Committee notes the comments from the Department of Transportation (DOT) regarding the distance required between an intersection and allowed parking for the purposes of pedestrian safety. Your Committee acknowledges DOT's request to not require signs or curb markings to be placed as an indication of prohibited parking, but to allow enforcement regardless of signage.

Accordingly, your Committee has amended this measure by:

- (1) Deleting language that would have provided separate distances required according to speed limits;
- (2) Specifying that no vehicle parking abutting the curb or edge of a vehicle travel way shall be allowed within twenty feet of a crosswalk or intersection;
- (3) Adding language to enforce the prohibition on parking regardless of the presence of signage or curb markings;
- (4) Specifying that signs and curb markings shall not be required to restrict parking within twenty feet of a crosswalk or intersection;
- (5) Amending section 1 to reflect its amended purpose; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation and Culture and the Arts that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1195, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 1195, S.D. 1, and be referred to your Committee on Judiciary.

Respectfully submitted on  
behalf of the members of the  
Committee on Transportation and  
Culture and the Arts,

---

CHRIS LEE, Chair

The Senate  
Thirty-Third Legislature
