

STAND. COM. REP. NO.

1474

Honolulu, Hawaii

MAR 21 , 2025

RE: S.B. No. 1281
S.D. 2
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Consumer Protection & Commerce, to which
was referred S.B. No. 1281, S.D. 2, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO TELEHEALTH,"

begs leave to report as follows:

The purpose of this measure is to extend the sunset date of
Act 107, Session Laws of Hawaii 2023, which allows for the
reimbursement of services provided through telehealth via an
interactive telecommunications system.

Your Committee received testimony in support of this measure
from the Department of Health; Department of Human Services;
Office of Hawaiian Affairs; University of Hawai'i System;
Disability and Communication Access Board; State Health Planning
and Development Agency; State Council on Mental Health; Healthcare
Association of Hawaii; Hawai'i Pacific Health; Hawaii Medical
Association; Hawaii Substance Abuse Coalition; Hawai'i Primary Care
Association; American Cancer Society Cancer Action Network;
AlohaCare; Alzheimer's Association-Hawaii; AARP Hawai'i; Hawai'i
Mental Health Hui; Hawaii Medical Service Association; and three
individuals. Your Committee received comments on this measure
from the Department of Commerce and Consumer Affairs and Hawaii
Association of Health Plans.

2025-2836 SB1281 HD1 HSCR HMSO

Your Committee finds that the use and expansion of telehealth services and technology in the State have been recognized as a way to increase access and reduce delays to health care, particularly in rural areas of the State. Due to the COVID-19 pandemic, telehealth became essential as the health care system and patients adjusted to the new realities, and as a result, the United States Centers for Medicare and Medicaid Services authorized, among other changes, reimbursement for audio-only telehealth services.

Your Committee further finds that the State, through the enactment of Act 107, Session Laws of Hawaii 2023, aligned state laws regarding reimbursements for telehealth services with the guidance provided by the Centers for Medicare and Medicaid Services. However, the existing uncertainties surrounding federal health care policies necessitates that any further amendments to the laws regarding reimbursements for telehealth services should be paused until policies are settled. This measure extends the sunset date of Act 107 to give the State the opportunity to adjust to any new federal policies that may be implemented or clarified.

As affirmed by the record of votes of the members of your Committee on Consumer Protection & Commerce that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1281, S.D. 2, H.D. 1, and recommends that it be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committee on Consumer
Protection & Commerce,

SCOT Z. MATAYOSHI, Chair
