

STAND. COM. REP. NO.

1460

Honolulu, Hawaii

APR 01 2025

RE: S.R. No. 119

Honorable Ronald D. Kouchi  
President of the Senate  
Thirty-Third State Legislature  
Regular Session of 2025  
State of Hawaii

Sir:

Your Committee on Public Safety and Military Affairs, to which was referred S.R. No. 119 entitled:

"SENATE RESOLUTION STRONGLY SUPPORTING THE CONSTRUCTION OF A FLOATING DRYDOCK AT PEARL HARBOR,"

begs leave to report as follows:

The purpose and intent of this measure is to strongly support the construction of a floating drydock at Pearl Harbor.

Your Committee received testimony in support of this measure from the Military and Community Relations Office of the Department of Business, Economic Development and Tourism; Pacific Marine & Supply Company; Pacific Shipyards International, LLC; Hawaii Military Affairs Council; and four individuals.

Your Committee finds that new floating drydocks are designed for a service life of one hundred fifty years, making their construction a project that will serve the State and nation for generations to come. This measure supports the construction of a floating drydock at Pearl Harbor Naval Shipyard, which will increase the shipyard's capacity to service submarines and surface vessels, bolstering national defense while also driving substantial economic benefits for the State.

As affirmed by the record of votes of the members of your Committee on Public Safety and Military Affairs that is attached

to this report, your Committee concurs with the intent and purpose of S.R. No. 119 and recommends its adoption.

Respectfully submitted on  
behalf of the members of the  
Committee on Public Safety and  
Military Affairs,

---

BRANDON J.C. ELEFANTE, Chair

The Senate  
Thirty-Third Legislature  
State of Hawai'i
