

Neel Chauhan

MD MBA

PROFILE

One of several generations of physicians in his family, Dr. Chauhan believes that every person should have access to the care they need to achieve their best state of well-being. Prior to moving to Hawaii in 2016, Dr. Chauhan completed more than 12,000 telemedicine sessions with patients in England and has worked in hospitals, clinics and urgent care settings in England and Canada.

EXPERIENCE

Chief Clinical Operations Officer (CCOO)

- Cloudwell Health | Honolulu, HI
2018 - Present
 - Led and transformed clinical operations, driving year-on-year growth of 15-20% in patient outcomes and overall organizational performance.
 - Oversaw a diverse team of clinicians, administrators, and support staff, cultivating a culture of excellence, collaboration, and innovation.
 - Developed and implemented strategic initiatives to optimize clinical processes, resulting in improved efficiency and streamlined workflows.
 - Championed the integration of telemedicine and digital health solutions, expanding access to quality care and increasing patient satisfaction.
 - Collaborated closely with the Chief Executive Officer (CEO) and other C-suite executives in strategic planning and resource allocation.
 - Implemented robust clinical governance frameworks, ensuring adherence to regulatory standards and best practice guidelines.
 - Directed utilization management functions, optimizing resource allocation for enhanced patient outcomes and cost-efficiency.
 - Spearheaded quality improvement initiatives, resulting in measurable enhancements in patient care and safety.
 - Nurtured relationships with key stakeholders, including healthcare partners and community organizations, to drive collaborative care models.
 - Played a pivotal role in driving Cloudwell Health's growth to become a market leader in the telehealth industry in Hawaii.
