

Elliott K.S. Ke

I have over twenty five years of law enforcement experience with the Kaua'i Police Department and have an established record of leading by example and doing so with the highest degree of integrity. My experiences include command and executive experience in patrol operations, investigations, and executive administration.

PROFESSIONAL EXPERIENCE

Kauai Police Department Police Assistant Chief

1999 - Present
2020 - Present

- Office of the Chief of Police: Responsible for managing and coordinating the various administrative and operational functions of the Police Operations Bureau; including leadership, management, and oversight of the Field Operations Division, Patrol Administrative Division and Criminal Investigations Division.
- *Accomplishments:* Provided quality leadership, decisive decision making, and opened lines of communication with subordinates; worked closely with stakeholders to problem-solve recurring community complaints. Worked collaboratively with the Police Union and KPD Executive Leadership to enter into an agreement for implementation of a 12-hr shift in the Field Operations Division which will be effective on January 12, 2024. This will dissolve a 9-5 work schedule that has been in place at KPD for over four decades. This schedule change will increase available staffing across the department which will allow long delayed promotions for Sergeants and Lieutenants, transfers into specialized units and will also increase the number of days off for field officers. Completed procurement on a multi-term contract with Axon Enterprise, Inc. to continue services related to Axon Officer Safety Plan bundles, upgrade to the Taser 10 devices, implementation of Virtual Reality training and delivery of an Axon Training Pod which is the first in the nation.
