I have had the pleasure of knowing and working with Jaclyn for nearly 10 years as the Kapaa High School's Principal and as Kauai's Interim Complex Area Superintendent.

Ms. Kaina possesses a unique blend of skills and experience that make her an ideal candidate for this important role. Specifically, I have been consistently impressed by her ability:

Aloha,

I write this letter in support of GM512 and Jackie Kaina who is seeking to serve on the Hawaii Technology Development Corporation (HTDC).

As the executive director of Kauai Economic Board (KEDB), Jackie has been instrumental in connecting our school and all of our students with opportunities to gain valuable work-based learning experiences. She has helped to build our grade 9-12 college and career continuum that directs specific activities and activities for each grade level to be carried out on campus among various content areas as well as with our business and community partners.

Jackie would be an excellent addition to HTDC as she is always looking for ways to improve economic and educational outcomes for all residents on Kauai. With the West Kauai Tech Center located within walking distance from our school, we have been the beneficiary of several of these initiatives.

I wholeheartedly recommend Jackie for the Hawaii Technology Development Corporation.

TESTIMONY BEFORE THE COMMITTEE ON ECONOMIC DEVELOPMENT AND TOURISM

GM512 GUBERNATORIAL NOMINATION FOR JACLYN KAINA

THURSDAY FEBRUARY 27, 2025

Chair DeCoite, Vice Chair Wakai and Members of the Committee:

My name is Robbie Melton, I was a member of the business community on Kauai since 2019

I strongly support the Gubernatorial nomination of Jaclyn Kaina to serve on the Board of the Hawaii Technology Development Corporation.

Ms. Kaina serves as the executive director of the Kauai Economic Development Board. KEDB is a business membership organization and supports the Kauai County Office of Economic Development, providing economic development activities and programs. The organization manages the West Kauai Creative Technology Center that hosts several important organizations and programs.

When I met Jackie, she was the program manager for KEDB. Under her direction, she planned and organized many events related to entrepreneurship and business growth. She has a keen ability to work with community organizations and business partners. She has organized economic summits and has been active in supporting the Hawaii's Digital Divide and internet equity program. She is very in tune with the technology industry trends and supporting innovation.

As the executive director, she works in all aspects of the KEDB board of directors and has demonstrated excellent leadership. She serves on many business committees and works with a broad range of companies. She also serves on other boards and is well versed in board of director operations.

The Hawaii Technology Development Corporation would benefit from Jackie's leadership and would bring representation of the Neighbor Islands to the HTDC Board. There is a lot of technology and innovation happening on Kauai and while it is a small island there is a lot worth taking note. Jackie Kaina would represent the business community well.

Thank you for the opportunity to provide this testimony in support of Jackie Kaina.

WRITTEN TESTIMONY ONLY

On Governor's Message No. 512, Submitting for consideration and confirmation to the Hawaii Technology Development Corporation, Gubernatorial Nominee, JACLYN KAINA, for a term to expire on 06-30-2028.

Aloha Chair DeCoite and Members of the Committee:

My name is Catherine Awakuni Colón and I am testifying my personal capacity in **support** of the appointment of Jaclyn Kaina to serve as a member of Hawaii Technology Development Corporation (HTDC).

Ms. Kaina, who now serves as the Executive Director of the Kauai Economic Development Board, has years of experience leading economic development efforts on Kauai. Since I lead a sister economic development board on Oahu and serve with Ms. Kaina on the board of the Economic Development Alliance of Hawaii, I have had many occasions to work with Ms. Kaina as we navigate the implementation of the State's Comprehensive Economic Development Strategy approved in 2023.

I have found Ms. Kaina to have great integrity, to be a quick and strategic thinker, and to possess a genuine interest in and talent for engaging and supporting our community. Ms. Kaina's years of training and experience working on economic development and workforce development strategies on Kauai is especially helpful, as the voices of Kauai residents can be shared through her participation at HTDC.

I respectfully request that you recommend approval of Ms. Kaina's nomination as a member of HTDC. Thank you for the opportunity to support G.M. No. 512.

Comments:

Aloha Senator DeCoite and Members of the Committee on Economic Development and Tourism,

My name is Ellen Ching and I am submitting this testimony in **strong support of Jackie Kaina**.

I have personally and professionally known Jackie for the past nine years. After a 30 year career as the Executive Director of a non-profit organization on Kauai, I retired. About a year later, I was asked to work at the Kauai Economic Development Board (KEDB) to primarily write a major foundational grant for the Creative Technology Center. That is where I met Jackie, she had just started with KEDB about a year earlier. We shared an office.

Although, Jackie was new to the non-profit world, when I left about 10 months later, I knew that she had all of the skills, ability and heart to be the next leader of KEDB. The only thing she lacked was confidence. Her track record speaks volumes. When she was finally appointed as the Executive Director in 2022, she had already single-handedly rescued the organization from years of mismanagement and nursed it back to a vibrant, fiscally-sound organization that is actively engaged, contributes to our community and plays a vibrant and unique role on Kauai.

As a Board Member of the Hawaii Technology Development Corporation, I have little doubt that she will contribute greatly to it's mission of fostering innovation, workforce development and providing capital which dovetails so closely with her work at KEBD. For these reasons and more, I ask you for your support and thank you for your consideration.
