Dear Chair Inouye and Members of the Committee:

*Mahalo* for this opportunity to provide testimony in strong SUPPORT of GM 530, Gubernatorial Nomination of Karen Ono to the Board of Land and Natural Resources (BLNR) for a term to expire on June 30, 2028. I am submitting my testimony in my capacity as an individual member of the Kaua'i County Council.

Ms. Ono has continued her position as a Kaua'i Representative on BLNR in an excellent capacity, making her decisions consistent with State laws and statutes. I recognize her integrity to the Hawai'i Constitution, even when I have not agreed with some of the outcomes of her votes. Her dedication to understanding the details of topics across the islands is evident, and she willingly shares fresh understanding of evolving State policies with constituents and policymakers on Kaua'i and throughout the State. I can always count on her to quickly respond with informed answers to my policy questions. Similarly, my experience with her former leadership role at the Kaua'i Board of Realtors (KBR) consistently exceeded my expectations, particularly with her ability to understand land use policy needs and convey that knowledge as a valuable community partner.

Additionally, Ms. Ono's empathetic, understanding, and patient demeanor builds trust and respect among colleagues and the public as she confronts the significant economic displacement issues that face our island while balancing these challenges with environmental and land use needs.

Ms. Ono's professional experience is complemented and strengthened by her attendance and active participation in a range of government-sponsored meetings, policy development discussions, environmental events, and volunteer activities.

Aloha Chair Inouye, Vice Chair Elefante, and members of the WAL Committee,

I am writing to urge you to reappoint Mrs. Karen Ono to a second term on the Board of Land and Natural Resources. Karen has been one of, if not, the most appropriate representative for the islands of Kauai and Niihau during her first term and it would benefit us greatly to have her serve as second term. Karen represents us and takes our issues very seriously when they come before the Land Board. She has always taken the time to meet face-to-face, approach issues and places at a personal level, and gotten to know the resources and informations before addressing them.

When it comes to leadership, I appreciate Mrs. Ono for her coming out and seeing first-hand what complex issues look like and what solutions might be. I believe this is the most important requisite to making informed and balanced decisions in relation to the Land Board. I would also note that Mrs. Ono seems to work well and speaks amiably amongst other BLNR members and with Chair Dawn Chang. While they can have different opinions on some difficult issues, she has always remained cordial and polite while firmly expressing her opinion. This makes her an effective leader and representative for our islands and communities. Again, I urge and support Mrs. Ono's reappointment!

Karen's commitment to preserving the natural beauty and cultural significance of Kauai is unmatched. Over the course of her tenure on the BLNR, she has consistently demonstrated a deep understanding of the challenges facing our island's natural resources and a genuine passion for ensuring that those resources are protected for future generations. Her ability to collaborate with stakeholders from all backgrounds, whether residents, government agencies, or environmental organizations—has been a testament to her leadership and diplomatic skills.

One of Karen's most notable qualities is her unwavering dedication to listening to the concerns of Kauai residents and ensuring that our voices are heard at the state level. Her background as the long-time Executive Director for the Kaua'i Board of Realtors from April 1979 to December 2021 honed her sense of place and instilled the ability to interpret new legislation. **Aloha President Kouchi, Senators Inouye, Kanuha, Richards:**

My name is Riley Smith. I am a lifelong resident of the State of Hawaii and have lived on Hawaii island since 1993. As you may know, I am the Hawaii island representative on the Board of Land and Natural Resource. I first met Ms. Ono, when I was confirmed to BLNR during the summer of 2022. We have served together for the last 2-1/2 years. I find that Ms. Ono always arrives prepared for our meetings, she reads all of the information provided, she queries the staff on items that are unclear and is also extremely knowledgeable about the issues, specific to the island of Kauai.

With her background in real estate, she understands property management, real estate title issues and how to work towards resolution of disputes between property owners. I cannot think of an issue on Kauai that has come before our Board, that she didn't know about, didn't research or didn't come prepared to decide on. She represents her island and our State very well.

I highly recommend that you re-confirm Ms. Ono to serve another term on the Board of Land and Natural Resources. Should you have any questions, feel free to call or email me.

**Subject: Strong Support for GM 530 – Confirmation of Karen Ono to the Board of Land and Natural Resources**

Dear Chair Inouye and Members of the Water and Land Committee,

I am writing in strong support of GM 530, the consideration and confirmation of Ms. Karen Ono to continue serving on the Board of Land and Natural Resources (BLNR) for a term expiring on June 30, 2028. Given the critical challenges facing Hawai‘i today—particularly in balancing commercial development, affordable housing, and environmental and cultural stewardship—it is essential to have experienced, thoughtful, and community-minded leaders on the Land Board. Ms. Ono has proven over the past four years that she is the right person for this role, and I wholeheartedly support her reappointment.

As a resident of Wailua, Kaua‘i, and a Native Hawaiian Practitioner with over 30 years of experience in ‘āina-based land and ocean resource management, I have had the privilege of working closely with Ms. Ono on important land and ocean resource issues. Over the past four years, I have witnessed firsthand her ability to navigate the complexities of land and resource management in a way that is culturally appropriate, fair, and solution-driven. Raised in the valley of Hule‘ia, she embodies the rare ability to keep one foot firmly in Hawai‘i’s traditional values and the other in the realities of the modern world—an invaluable trait for a Land Board Commissioner.

Ms. Ono brings a wealth of experience to this role. Her long-standing career in Hawai‘i’s real estate industry, including over 40 years as the association executive for the Kaua‘i Board of REALTORS®, has given her deep insight into the economic and social challenges our communities face. Throughout her tenure, she has consistently demonstrated a commitment to making *pono* (just and fair) decisions by actively engaging with the community, listening to diverse perspectives, and carefully weighing all aspects before taking action. She is known for her willingness to assist residents in navigating the DLNR system and for ensuring that government processes remain accessible to all.

Her extensive leadership roles—including serving on the Government Affairs Committee, the Kaua‘i Business Council, the Chamber of Commerce, and the Rice Street Business Association—further highlight her ability to bridge the gaps between government, business, and community. At a time when Hawai‘i is at a pivotal crossroads, facing economic, environmental, and housing crises, we need leaders like Ms. Ono who have a proven track record of bringing stakeholders together to find innovative and equitable solutions.

I firmly believe that Ms. Karen Ono’s knowledge, experience, and deep-rooted commitment to Hawai‘i make her the ideal candidate to continue serving on the Board of Land and Natural Resources. Her ability to balance economic realities with environmental and cultural concerns is exactly what Kaua‘i—and our state—needs at this crucial moment in our history.

I respectfully urge you to support her confirmation and allow her to continue her vital work for our community and our state.

Mahalo for your time and consideration.
