Re: GM 753, Audrey Abe - Strong Support

Aloha Chair Keohokalole and the Committee Members:

We have known Audrey Abe for over 20 years as an appraiser, a CPA, and a real estate agent. She has done many appraisals for our family and have volunteered to give us tax advice in many instances without pay. In addition, she has done real estate sales and property management.

What we appreciate most about Audrey Abe is her honesty and willingness to help others. Since she has an excellent command of the English language, she is willing to go the extra mile by helping others write letters, analyze and problem solve situations, or just finding resources. It is with that spirit of helping others without expecting any monetary compensation is what is most impressive.

Audrey Abe has our full support as an excellent member of the Real Estate Commission. She, not only has many years of experience in the real estate, appraisals, and taxes, but she has the integrity, the perseverance, and the ability to analyze and solve problems. Audrey Abe is a great asset to the Real Estate Commission!

Sincerely,

Re: GM 753, Audrey Abe – Strong Support

Aloha Chair Keohokalole and Committee Members,

I am testifying on behalf of Audrey Abe for the Real Estate Commission. I have known Audrey for over 10 years. She has been a business associate of mine in the financial service industry and is currently a business mentor of mine.

Audrey is very detailed-oriented, professional, honest & supportive. She is an excellent listener & meets people where they are at. She is patient, yet assertive. Audrey goes above & beyond for others, both personally & professionally. I've had the honor to shadow her on prepping a property for sale & maintenance of rental properties. Her integrity & standards in real estate are exceedingly high.

With Audrey's diverse background which includes, but not limited to, a CPA, appraiser, property management, real estate investments and sales, I highly recommend her for the Real Estate Commission. With her experience, knowledge & excellent business acumen and ethics, she is extremely qualified and will continue to be a huge asset to the Real Estate Commission.

Sincerely,
